

OCTOBER 2014

Changed traffic conditions and temporary night time road closure of Belinda Street, Gerringong.

The NSW Government is funding the \$329 million Princes Highway upgrade at Gerringong to improve road safety and traffic efficiency.

To progress building of the road and improve drainage on Belinda Street, there will be changed traffic conditions at the intersection of the Princes Highway and Belinda Street. This includes a temporary night time road closure of Belinda Street.

There will be no access to or from the Princes Highway at Belinda Street on Tuesday 11 November 2014 between 8pm and 5am (weather permitting). Motorists are to use Fern Street to access Gerringong. Northbound motorists are to use Rose Valley Road to access Fern Street.

Changed traffic conditions will also be in place, including stop / slow traffic control, on Belinda Street between the railway bridge and the Princes Highway on:

- Friday 7 November 2014.
- Sunday 9 November and Monday 10 November 2014.
- Wednesday 26 November 2014.

To minimise the impact on motorists, this work will take place at night **between 8pm and 5am, weather permitting.**

Motorists are advised to follow all temporary signage, speed limits and traffic control measures.

We apologise for any inconvenience and appreciate your patience as these traffic changes are implemented.
