

# To the householder

JULY 2014

## Changed traffic conditions - Princes Highway, Gerringong upgrade

During August 2014 there will be further traffic changes at the intersection of the Princes Highway and Fern Street.

To progress the upgrade of the Princes Highway, traffic changes are required so motorists can continue using local roads, intersections and the highway while construction progresses.

During July there were traffic changes on the Princes Highway between Mount Pleasant and north of Sims Road. These changes have allowed the relocation of the Fern Street intersection.

From Friday 8 August 2014 (weather permitting) traffic will be moved onto this relocated intersection while the old highway between Rose Valley Road and Fern Street is rebuilt.

The relocated access for Fern Street will be in place until the southbound lanes are complete and the railway overbridge (Omega Bridge) is open to traffic. This is expected to be early 2015, weather permitting.

Please see overleaf, a map showing the changes that will be in place for Fern Street and Rose Valley Road.

To progress this, **night work will occur between Wednesday 6 August and Friday 8 August 2014 between 6pm and 7am, weather permitting.**

**As part of this work, there will be no access to or from the Princes Highway at Fern Street between 10am Thursday 7 August and 6am Friday 8 August 2014 (weather permitting).**

**Motorists will be able to access Gerringong via Belinda Street. Traffic control and signage will be in place to help guide motorists.**

There will be some noise impacts associated with this work, however every effort will be made to minimise this. The work will be carried out in accordance with Roads and Maritime Services' Environmental Noise Manual.

There will be more traffic changes as construction progresses. Further information will be provided closer to the time. Roads and Maritime Services apologise for any inconvenience the work may cause and appreciates the community's patience as these traffic changes are implemented.

For more information please call the project information line on 1800 506 976 (toll free) or visit the project website [www.rms.nsw.gov.au/gu](http://www.rms.nsw.gov.au/gu).

# Temporary traffic changes to access Fern Street and Rose Valley Road
