Dear resident

Re: Princes Highway, Gerringong upgrade – truck movements between the Gerringong upgrade and Coolangatta Road, Berry.

Roads and Maritime Services (RMS) is upgrading the Princes Highway between Mount Pleasant and Toolijooa Road. The project team has received inquiries about truck movements that have been taking place between the Gerringong upgrade and Coolangatta Road, Berry.

Fulton Hogan, RMS' contractor delivering the Gerringong upgrade, is transporting excess spoil from the Gerringong upgrade to private properties on Coolangatta Road, Berry. The property owners have approved Development Applications from Shoalhaven City Council which allows fill material to be imported to these sites.

The material is a result of improvements to the design of the cutting at the Gerringong curves. It consists of top soil and excavated material.

Transportation of material is expected to continue until September 2013, weather permitting. When material is being transported a maximum of four trucks are being used. This activity is intermittent and when required will take place Monday to Friday between 7am and 6pm and Saturday between 8am and 1pm.

A vehicle movement plan is in place to minimise impacts on traffic both on the Princes Highway and local roads, and Fulton Hogan is continuing to monitor the truck movements.

For more information please contact the community relations team on **1800 506 976** (toll free) or email gerringongupgrade@fultonhogan.com.au.

Yours faithfully,
