JUNE 2013

Dear resident,

Re: Princes Highway, Gerringong upgrade – closure of the southbound slow lane on the Princes Highway near Willow Vale Road

Roads and Maritime Services (RMS) is upgrading the Princes Highway between Mount Pleasant and Toolijooa Road. To progress construction of the upgrade, the southbound slow lane on the Princes Highway near Willow Vale Road will be temporarily closed from **Monday 1 July 2013** for around 12 months.

Concrete barriers will be installed under traffic control along the edge of the southbound slow lane to separate the construction work from highway traffic. While the concrete barriers are being moved a reduced speed limit of 40km/h, traffic management and advanced signage will be in place to help direct motorists.

Please see overleaf a location map showing this traffic change.

Variable message boards and signage will be in place to assist residents and motorists with this change. RMS apologises for any inconvenience this traffic change may cause.

For more information please contact the community relations team on **1800 506 976** (toll free) or email gerringongupgrade@fultonhogan.com.au.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Adrian Rouse'.
