JANUARY 2013

Dear resident

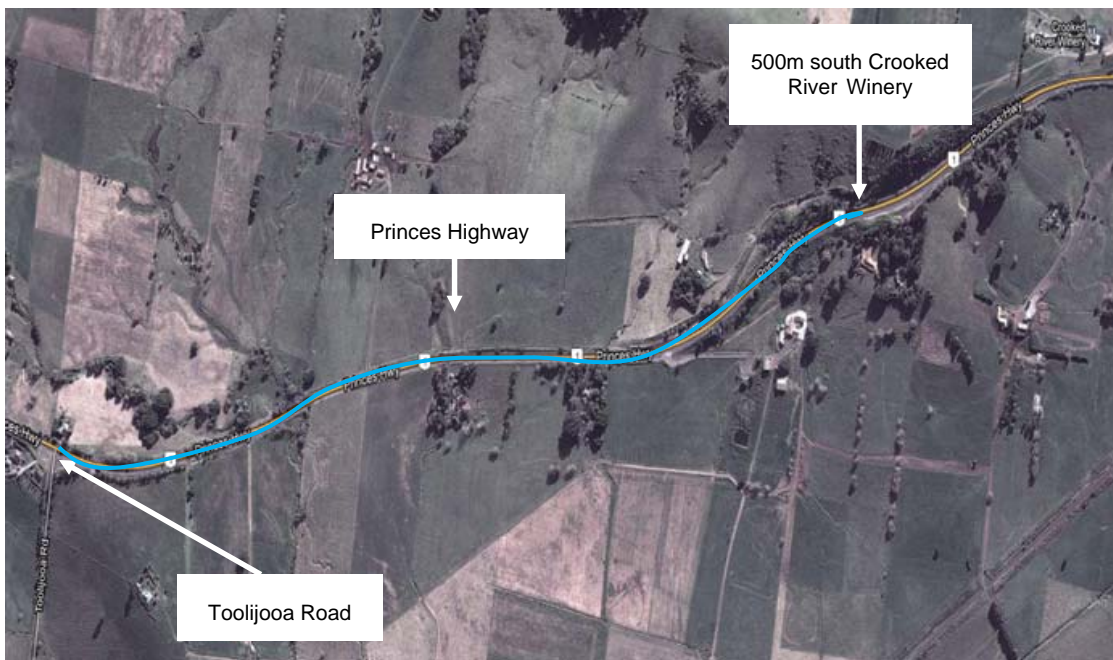

Re: Princes Highway, Gerringong upgrade – rescheduled out of hours work on the Princes Highway.

Roads and Maritime Services (RMS) is upgrading the Princes Highway between Mount Pleasant and Toolijooa Road.

As part of this upgrade, out of hours work is required to install concrete barriers along the Princes Highway both northbound and southbound between Toolijooa Road and Crooked River Winery, Gerringong. These barriers will be installed around the work site to protect motorists, pedestrians and workers. The activity may involve light vehicles, a semi-trailer and a crane.

This work was originally planned from Tuesday 11 December to Thursday 13 December 2012, between 7pm and 5am. The work is now scheduled to take place at night from **Monday 14 January to Wednesday 16 January 2013, between 9pm and 6am**, weather permitting.

Below is a location map showing where barriers will be installed.

Transport
Roads & Maritime
Services

During the work temporary closures of the Princes Highway northbound and southbound lanes are required. Through access will be maintained at all times. A reduced speed limit of 40 km/h, traffic management and advanced signage will be in place to help direct motorists.

The project team will work to ensure that any disruption is kept to a minimum while this essential activity takes place. RMS apologises for any inconvenience the work may cause.

For more information please contact the community relations team on **1800 506 976** (toll free) or email gerringongupgrade@fultonhogan.com.au

Yours faithfully
