

October 2022

Tree trimming on Coxs River Road, Baaners Lane and Browns Gap Road, Little Hartley from Monday 24 October

Together, the Australian Government and NSW Government have committed more than \$2.5 billion towards the East and West sections of the Great Western Highway Upgrade, between Katoomba and Blackheath, and between Little Hartley and Lithgow, respectively.

Transport for NSW (Transport) will be carrying out tree trimming at Little Hartley for the Coxs River Road Upgrade early works program, as part of the Great Western Highway Upgrade Program.

Contractors for Transport will carry out the work, which will include trimming back vegetation over the existing power lines located near the intersections of Coxs River Road, Baaners Lane and Browns Gap Road with the Great Western Highway. The approximate work area is included in the map attached.

We will be working between **7am** and **6pm** and expect to complete the work **between Monday 24 October and Wednesday 26 October 2022**, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

Most of this work will have minimal impact on local residents.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages and turning off machinery and vehicles when not in use.

We will continue to keep you informed as planning on the project progresses.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Traffic control may be in place where necessary, with reduced speed limits of 40km/h and temporary lane closures on Coxs River Road, Baaners Lane and Browns Gap Road.

Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

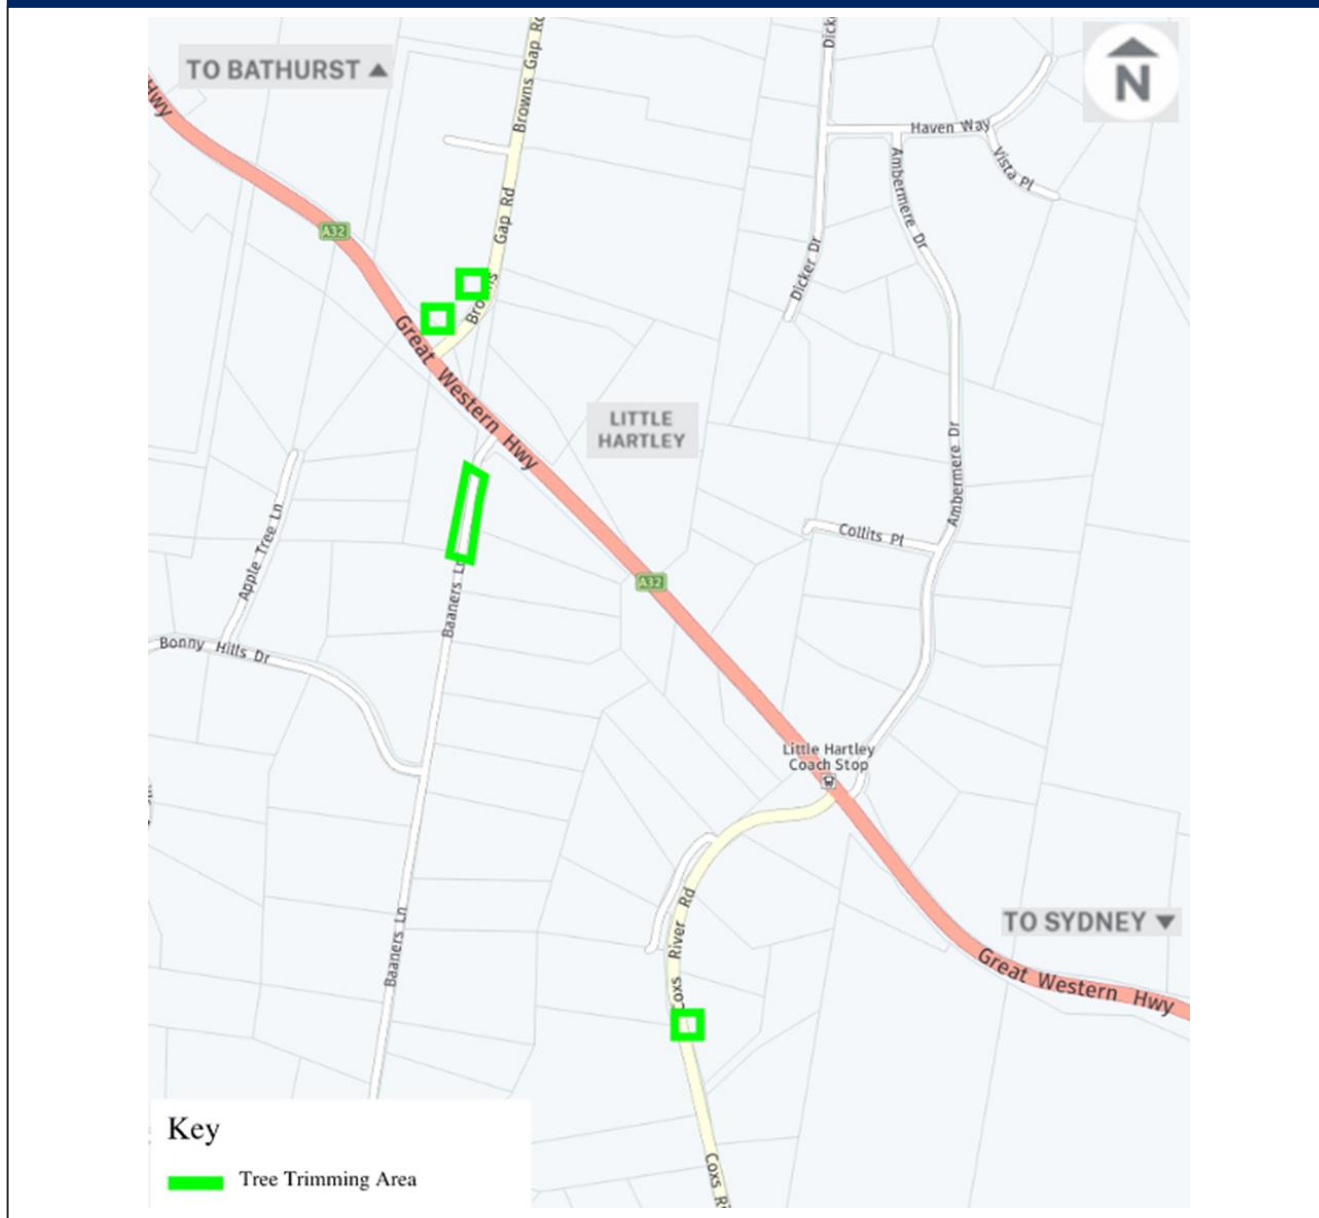

Contact

If you have any questions, please contact Ausconnex Project Manager, Grant Richards on 0448 379 682 or grant.richards@ausconnex.com.au.
