FEBRUARY 2013

Dear resident

Re: Great Western Highway upgrade between Katoomba and Mount Victoria

Roads and Maritime Services (RMS) is considering improvements between Katoomba and Mount Victoria as part of the \$250 million revised investment program for the Great Western Highway between Katoomba and Lithgow.

To assist in developing proposals for these improvements, RMS invites you to attend a community workshop. At the workshop you will be able to contribute information about near miss locations, unreported incidents, safety and any other issues. This will help RMS better understand the community's perspective.

Community workshops will be held on:

- **Wednesday 13 February 2013 – 6.30pm to 8.30pm**
Mount Victoria Public School, Great Western Highway (entry via Victoria Street gates only), Mount Victoria
- **Thursday 14 February 2013 – noon to 2pm**
Mountain Heritage Motel and Spa, Cnr Apex and Lovel streets, Katoomba
- **Thursday 14 February 2013 – 6.30pm to 8.30pm**
Rural Fire Service Shed, Railway Parade (opposite the Railway Station), Medlow Bath
- **Monday 18 February 2013 – 6.30pm to 8.30pm**
Redleaf Resort, Blackheath, Valley View Road, Blackheath

Please register your interest in attending the workshop by calling **1800 035 733** (toll free) or email K2Lupgrade@rms.nsw.gov.au to assist with room set up and catering.

At the workshop RMS will provide information on the background and scope of the improvement work as well as crash history and statistics.

An online collaborative map is available on the website at www.rms.nsw.gov.au/roadprojects – click on 'Western Region' on the map, then 'Katoomba to Mount Victoria' and follow the link on the interactive map. You can have your say on safety issues at specific locations via the internet from your own computer.

Comments can be uploaded until **8 March 2013**. After this date comments can be viewed, but not updated.

You can also send written comments to: Project Manager, Katoomba to Mount Victoria, PO Box 334, Parkes NSW 2870 or email to: K2Lupgrade@rms.nsw.gov.au

I look forward to meeting with you in February.

Yours faithfully,

Chris Barnett
Project Manager
