

Australian Government

BUILDING OUR FUTURE

August 2019

Access between Abbott Street, Blackheath and Great Western Highway remains restricted until Wednesday 14 August

The Australian and New South Wales governments are upgrading the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.

As part of this work we are improving the intersection of Great Western Highway and Abbott Street, Blackheath. Our work at this intersection is not yet complete and is ongoing. To complete work and open the intersection to traffic, access between Abbott Street and Great Western Highway will continue to be restricted until **Wednesday 14 August 2019**, weather permitting. During this time the access for vehicles will be restricted to one lane with narrow entry for heavy vehicles.

Traffic control measures will be in place to ensure residents can exit and enter Abbott Street. Detour will be available for heavy vehicles. Electronic signs will be in place along the Great Western Highway to notify motorists.

Our work hours will remain **7am to 6pm Monday to Friday**.

Please keep to speed limits, follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner Diona on 1800 035 733 or email K2Lupgrade@rms.nsw.gov.au.

We understand and appreciate our work can be inconvenient and sincerely thank you for your understanding and ongoing patience.
