

Australian Government

BUILDING OUR FUTURE

May 2019

Access between Hargraves Street, Blackheath and Great Western Highway closed until end of July

The Australian and New South Wales governments are upgrading the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions. As part of this work we are improving the intersection of Great Western Highway and Hargraves Street, Blackheath.

To help carry out this work, we have closed access between Hargraves Street and the Great Western Highway. Local residents have been using a detour via Valley View Road or Wentworth Street to access the Great Western Highway from points further north and south in Blackheath.

We have appreciated the community's patience and understanding while we have been working in this location.

Our work at this intersection is not yet complete and is currently ongoing. To complete work and open the intersection to traffic, we will need to keep this access closed until the **end of July 2019**, weather permitting.

Our work hours will remain **7am to 6pm Monday to Friday**.

The existing vehicle detour will remain in place until the work is completed. Electronic signs will remain in place along the Great Western Highway to notify motorists. We will continue to make every effort to minimise noise from our work where possible.

If you have any questions, please contact our delivery partner, Diona Pty Ltd, on:

Phone: **1800 035 733**

Email: **K2Lupgrade@rms.nsw.gov.au**.

We understand and appreciate our work can be inconvenient and sincerely thank you for your understanding and ongoing patience.
