BUILDING OUR FUTURE

October 2019

Bus stop relocation along the Great Western Highway, Mount Victoria from Monday 28 October 2019

The Australian and New South Wales governments are upgrading the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.

The important 1.6 kilometre upgrade of the Great Western Highway through Mount Victoria village was completed in late 2018 and is now open to traffic.

As part of the upgrade work Roads and Maritime Services will relocate a bus stop to cater for the future transport needs in the area. The bus stop is currently located on the westbound lane of Great Western Highway between Selsdon Street and Cassilis Street, Mount Victoria. It will be relocated to 50 metres west of the present location between Cassilis Street and Burwood Road, Mount Victoria.

Our work schedule

We will relocate the bus stop between **Monday 28 October 2019** and **Friday 1 November 2019**, weather permitting.

This work will be carried out during standard working hours from **7am** to **6pm**.

How will the work affect you?

There may be some noise during the work and we will do everything we can to minimise the impact to the community.

Temporary traffic changes will be in place to ensure the work zone is safe for motorists and workers.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
