

Transport for NSW

Greenwich Point Wharf Upgrade

August 2021

We thank the community for providing feedback on the concept design for the proposed Greenwich Point Wharf Upgrade.

Consultation snapshot

237
submissions

68 drop-in
session attendees

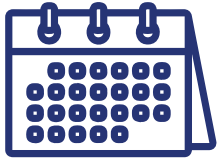

over **18,100**
people reached

Next steps

We are investigating options to further refine the design to address the feedback from the community. We will provide an update when we publish the consultation report in the coming months.

Here's what we learnt from survey respondents:

40%
use the
wharf weekly

57%
walk to
the wharf

14%
find it difficult
to access the wharf

The top three wharf facilities:

Protection from
the weather

Safety
and security

Look and feel
of the space
