Have your say - Heathcote Road bridge REF

Transport for NSW has carried out an environmental assessment for the Heathcote Road bridge widening project. We welcome your comments on the proposal as well as on our management plans to minimise any likely impacts on the environment, biodiversity, heritage, soil and water. **Submissions are now open.**

Have your say - visit the Heathcote Road bridge virtual information centre at nswroads.work/heathcote-info-centre

How to make a submission

Visit the Heathcote Road virtual information centre at nswroads.work/heathcote-info-centre. You can also email us your submissions or phone us on **1800 161 342**.

If you'd like to discuss the REF face to face, via Facebook, we'll have an information session on 29 January 2021. Please RSVP via email, if you'd like to attend.

Contact us

If you have any questions or would like more on the Heathcote Road bridge widening project, please contact our project team:

 **1800 161 342**

 **HeathcoteRoadBridge@transport.nsw.gov.au**
