

Continuation of work on Heathcote Road

Transport for NSW | December – January 2023

The Australian and NSW Governments are upgrading Heathcote Road between Infantry Parade, Holsworthy, and The Avenue, Voyager Point to help reduce congestion, improve road safety, and provide more reliable journeys for all road users.

Work is continuing on the Heathcote Road Upgrade and over the following 8 weeks:

- utility adjustment works including potholing, trenching and relocations between Infantry Parade and The Avenue
- removing existing asphalt, concrete pavement, medians, islands and kerbs between Infantry Parade and The Avenue
- constructing temporary pavements at various locations over the 2.2 km of Heathcote Road
- pile foundation demolition, embankment and other works associated with the road bridge over the T8 Airport and South Line
- piling works associated with Williams Creek bridge, including installation of sheet piles
- piling works associated with Harris Creek Eastbound bridge, including construction of piling platform
- general earthworks
- barrier relocation, barrier installation, line marking and asphaltting between Infantry Parade and The Avenue

Pedestrian Detour

Thank you to the community for their support and ongoing patience during our works. We have been working towards providing an alternate detour to the temporary footpath along Heathcote Road, between Infantry Parade and Harris Creek.

The alternate detour is now available for use.

The detour will be marked with signage to guide pedestrians along the alternate pathway. Please see map for the updated pathway.

Our work schedule

Our standard work hours are **Monday to Friday** from **7am to 6pm** and **Saturday** from **8am to 1pm**. Including works within the rail corridor between **Wednesday 28 December** to **Friday 30 December 2022**. No work will take place on public holidays.

There will be **no out of hours work** between **Friday 16 December 2022** and **Tuesday 3 January 2023**.

Out of hours work

Night work is required between **Thursday 1 December** and **Friday 16 December 2022**, and **Tuesday 3 January** and **Tuesday 31 January 2023**, weather permitting. Including utility relocation, drainage, and asphaltting between Infantry Parade and The Avenue, and embankment works and installation of sheet piles at the road bridge over the T8 Airport and South Line, which will be done during Sydney Trains planned trackwork period between **Saturday 10 December** and **Sunday 11 December**.

We will work over five-night shifts per week but only **two consecutive nights in the same area**, weather permitting. Construction hours are between **6pm to 7am Monday to Sunday**. We will notify impacted residents prior to any out of hours work taking place.

How this work will affect you

We need to carry out this work at night to minimise traffic disruption and reduce safety risks to the workers and road users.

The **out of hours work** will be noisy at times, however we will make every effort to minimise the impact for residents by carrying out noisier work before midnight, turning off machinery and vehicles when not in use and directing lights away from properties where possible. Where these impacts are the greatest, residents will be contacted directly about respite offers where appropriate.

Equipment used may include generators, excavators, pilling rig, rollers, street sweeper, trucks, concrete trucks and pumps, powered hand tools, underbore machine, water cart, and lighting towers.
