

MARCH 2015

## Night work on the Hume Highway and Miller Road, Bass Hill

Roads and Maritime Services is carrying out essential field investigation work, on behalf of the NSW Government. This work would help develop a proposal to improve traffic flow and safety at the intersection of the Hume Highway and Miller Road from Sunday 22 March.

---

This work involves excavating small areas in the road to inspect underground utilities. The investigations are part of early planning for traffic flow and safety improvements.

This work will be carried out in **five shifts** from **9pm to 5am** between **Sunday 22 March and Friday 10 April, excluding Saturdays**, weather permitting.

### Changed traffic conditions

Lane closures will be in place while the work is carried out to ensure the safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs. Motorists may experience minor delays due to changed traffic conditions.

There will be noise associated with this work, but every effort will be made to minimise the impact on residents and businesses.

We apologise for any inconvenience this work may cause and appreciate the patience of residents and road users.

Up to date information, including any date changes and detours will be displayed on electronic message signs along the road and on [livetraffic.com](http://livetraffic.com).

For more information please contact our delivery partner Leighton Boral Amey Joint Venture on **1800 677 700** or email [nswenquiries@lbajv.com.au](mailto:nswenquiries@lbajv.com.au).

Outside business hours, or for more information on scheduled road work, visit [www.livetraffic.com](http://www.livetraffic.com) or download Live Traffic NSW App or call 132 701.
