

# Proposed alternative business parking for clearways on Hume Highway, through Warwick Farm

Roads and Maritime Services | October 2018

Congestion on Hume Highway

The NSW Government is delivering easier, faster and safer travel on Sydney's roads.

Roads and Maritime Services is proposing new weekend and extended weekday clearways on Hume Highway between Cumberland Highway, Liverpool and Henry Lawson Drive, Villawood.

Clearways help improve journey times by making all lanes available to traffic during clearway times which reduces congestion and helps motorists get to their destination sooner.

The new weekend and extended weekday clearways on Hume Highway through Warwick Farm will improve the journey time reliability for the 88,000 motorists travelling on this corridor each day, which means less time in traffic and more time doing the things that you enjoy.

The proposed clearway hours will apply in both directions and are shown on the map from:

- Weekdays from 6am to 7pm
- Weekends and public holidays from 9am to 6pm.

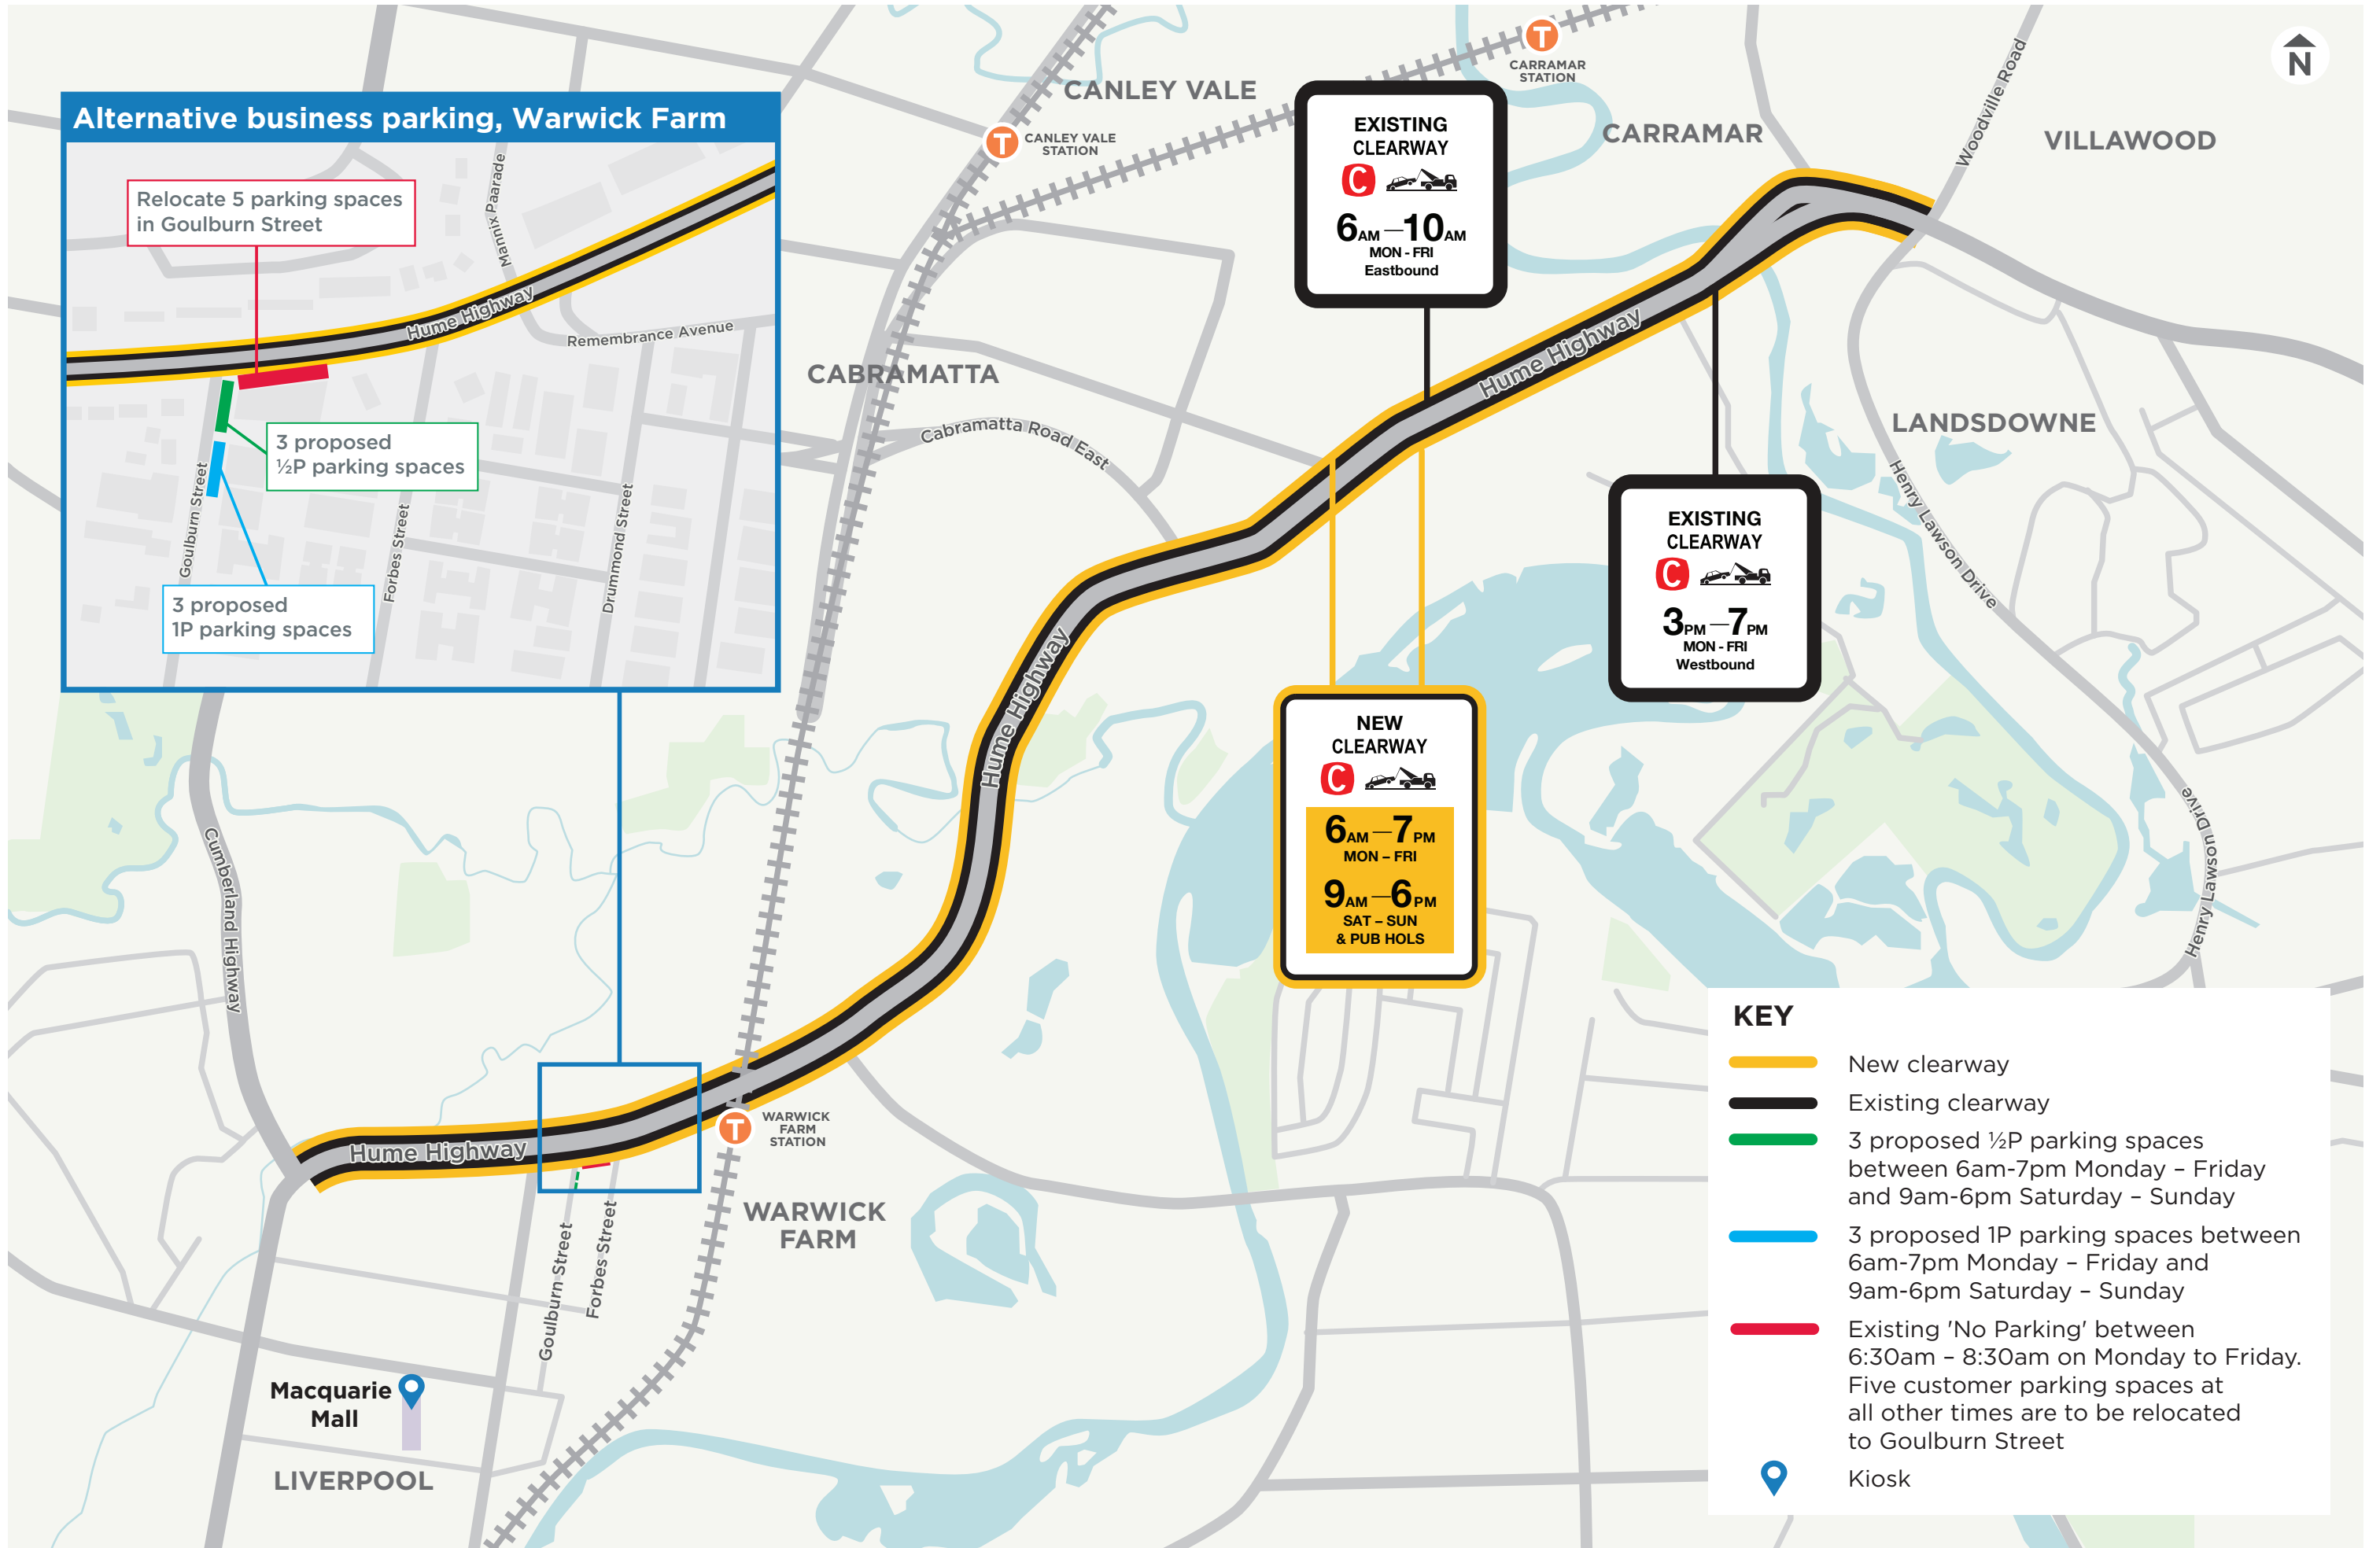

There will be no changes to existing parking restrictions on Hume Highway outside the new clearway hours.

## Alternative business parking arrangements

Roads and Maritime investigated parking along this corridor and found there would be five spaces removed in front of businesses on Hume Highway between Forbes Street and Goulburn Street, Liverpool.

New timed business customer parking spaces are proposed to be provided on Goulburn Street. Details of the alternative business parking are shown on the map.

## Talk to the clearways team

The Clearways Project Team will be available to discuss the new and extended clearway hours and business parking arrangements on **Thursday 1 November** at **Macquarie Mall** from **4pm to 7pm**. The mall is located at **Macquarie Street, Liverpool** (see map for location).

We invite you to come and speak to the team and provide feedback on alternative business parking arrangements.

## What happens next?

We invite your feedback on the business parking arrangements by **Monday 12 November 2018**.

Please send your comments to [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au) or call **1300 706 232**.

We will consider your feedback and update you as the project progresses.

## Are there other clearways in my area?

New clearways were installed earlier this year along Elizabeth Drive between M7 Motorway and Hume Highway.

Clearways are proposed on Cabramatta Road West and Cabramatta Road East between Elizabeth Drive and Hume Highway. New clearways will be installed on Henry Lawson Drive between Davies Road and Jacques Avenue on Monday 5 November 2018.

As clearway investigations progress in this area we will continue to engage with the community on any new projects.

For further information on the Sydney Clearways Strategy and how you can nominate a state road, please visit our website: [www.rms.nsw.gov.au/clearways](http://www.rms.nsw.gov.au/clearways)

## What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign.

Clearways are installed on key arterial roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to road users. The only exception is the stopping of buses and taxis dropping off or picking up passengers as well as emergency vehicles and postal vehicles accessing a public post box.

Vehicles parked in a clearway during the clearway hours, risk being fined and the vehicle can be towed.
