

Weekend closures of Torrens Street at Princes Highway, Blakehurst from 18 February

Transport for NSW will be carrying out work over **two weekends** in **February** on Torrens Street to align the slope of the road as it connects with Princes Highway in Blakehurst. This work is part of the widening of Princes Highway to allow removal of the tidal flow arrangement and ease congestion and improve journey reliability on this section of the Princes Highway.

To carry out the work, Torrens Street at Princes Highway will be closed to traffic over **two weekends**, from **Friday night to Monday morning, 18-21 February** and **25-28 February 2022**. This is needed so we can safely complete ground, asphaltting and other related work at this intersection. The road will be reopened on Monday morning.

During these two weekends, the detour routes will be:

- to Torrens Street - from Princes Highway via Beach Street
- from Torrens Street - via Beach Street to Princes Highway. For northbound motorists, continue onto the loop road at Tom Ugly's Point just before Tom Ugly's Bridge to go towards Hurstville.

Our work schedule

We will carry out the work from **8pm Friday to 5am Monday**, over two weekends:

- **Friday 18 February to Monday 21 February 2022**
- **Friday 25 February to Monday 28 February 2022.**

Our work is in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including QR codes. This work is weather dependent. If there is heavy rainfall on either weekend, the work will be postponed and continued on the next weekend with fine weather.

How will the work affect you?

Residents and visitors wanting to access Torrens Street from the Princes Highway will be required to use the detour routes.

Pedestrian access will be maintained at all times but emergency service vehicle access will be via Beach Street. There is no public bus service that runs on Torrens Street.

We appreciate that this detour may cause inconvenience for the residents. We thank the community for their ongoing patience and understanding as we complete this important work.

Traffic changes

Access to Torrens Street at Princes Highway will be closed and detours are in place whilst we work to ensure the work area is safe for road users and our workers.

Please allow extra travel time, keep to speed limits and follow signs and traffic controller directions.

For the latest traffic updates, call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW app.
