

Night work continuing on Memorial Avenue at Kellyville from 1 November

October 2021

The NSW Government is upgrading Memorial Avenue to ease congestion, improve travel times and meet the future transport needs for Sydney’s growing north west.

What are we doing?

We will be working on the following activities in November:

- Utility services relocation and installation
- Building the stormwater drainage
- Digging for the new road
- Bridge work at Strangers Creek including laying support for the bridge

The safety and wellbeing of our workforce and the wider community is our highest priority. This work is in line with the Public Health Order and a COVID-Safe plan is in place, including masks and QR codes.

Our work schedule

Night work will take place between **Monday 1 November and Tuesday 30 November** in the following areas, weather and COVID-19 restrictions permitting:

Activity	Length of time
Utility services relocation on Memorial Avenue near the intersection of Arnold Avenue (West)	2 x 2 nights
Utility services relocation on Memorial Avenue near Hector Court	2 nights
Utility services relocation on Memorial Avenue near Stone Mason Drive	3 x 2 nights
Utility services relocation on Memorial Avenue near the T-Way	2 nights
Utility services relocation either side of Old Windsor Road near the intersection of Sunnyholt Road	3 x 2 nights
Utility services relocation at the T-way	2 x 2 nights
Utility services relocation on Memorial Avenue near Burns Road, Stone Mason Drive Hartigan Avenue and Windsor Road (including cutover to the new service)	2 nights
Utility services relocation in the footpath on Windsor Road opposite Presidents Road and Windsor Road opposite Wrights Road	2 x 3 nights
Services investigation work – no more than 2 nights at one location.	

Our night work hours are from **8pm to 5am Monday to Friday**. However, our work crews may be on site from 6pm to prepare for the shift and set up safety equipment.

How will the work affect you?

We will be completing some work at night to reduce traffic disruption and any risks to the workers and road users during the day.

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

Directly affected residents will be advised about the expected night work near their property and the measures being taken to lessen the disturbance during the work.

Night work locations at Memorial Avenue

Traffic changes

There will be some temporary traffic changes to make the work zone safe. Partial lane closures and a reduced 40km/h speed limit will be in place. Travel times may be affected by up to five minutes. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
