

Transport for NSW

# Work starting at King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills

Start of work | July 2020

Work starting soon at the intersection of King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills.

The NSW Government is funding this project as part of its \$300 million Gateway to the South Pinch Point Program which aims to ease congestion and improve journey reliability on Sydney's key southern corridors. **On 22 July 2020, Transport for NSW will begin work to upgrade the intersection of King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills.**

## What we are doing

The project includes:

- widening Broadarrow Road to provide an additional lane to separate the left-turn, right-turn and through movements onto King Georges Road
- widening the existing signalised pedestrian crossing and waiting area on Broadarrow Road to increase the safety of pedestrians, particularly during peak school periods.
- adjusting the alignment of the footpath and fencing on southern side of Broadarrow Road, next to Beverly Hills Girls High School
- tree removal, trimming and landscaping
- road resurfacing and adjusting road marking.

## Our work schedule

Due to high traffic volumes in the area, a majority of construction work for this project will be carried out at night. Our schedule involves working up to **six days** and **five nights a week** for **55 day shifts** and **45 night shifts** between **22 July 2020** and **mid-December 2020**, weather permitting, excluding public holidays.

Our night work hours will be between **8pm** and **5am** from **Sunday to Thursday**. Our day work hours are from **7am** to **6pm, Monday to Friday**, and **8am** to **1pm** on **Saturdays**.

## Location of intersection improvements on King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills

### Site compound

Our site compound throughout the construction of this project will be set-up inside the work zone on Broadarrow road. The compound will be used for site offices, and to store materials and machinery, and may be in use any time work is taking place on the intersection of King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills.

### How will the work affect you

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities, such as concrete cutting, chain sawing and jack hammering, by midnight.

### Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact us

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we'll continue to respond to any questions or concerns you may have about our work.

If you have any questions or would like more information on the project please contact our delivery partner, **Ventia Boral Amey**:
