

Australian Government

**BUILDING OUR FUTURE**

July 2017

## **Night work and extended weekend hours on Tourle Street and Cormorant Road, Kooragang, from Tuesday 1 August 2017**

**The Australian and NSW governments have each committed funding for this project to improve traffic flow and cater for future traffic growth.**

Roads and Maritime Services has engaged WBHO McIlwain Joint Venture to duplicate 3.8 kilometres of Tourle Street and Cormorant Road between Industrial Drive, Mayfield West and Egret Street, Kooragang, including the construction of a second bridge over the Hunter River.

The work involves:

- removing existing line markings and concrete islands on the road and replacing with new line markings and barriers
- installation of new signage to improve safety
- bridge construction including concrete works at the Hunter River
- delivery of large equipment and materials on Tourle Street and Cormorant Road
- road construction and surfacing activities on Tourle Street and Cormorant Road
- utilities, drainage and concreting activities on Tourle Street and Cormorant Road.

To minimise traffic disruptions, some of the work will be carried out at night and outside standard working hours.

Night work will be carried out occasionally within the project area between **6pm** and **7am**, from **Tuesday 1 August** and **continue for two months**, weather permitting.

We will also be working extended weekend hours between **7am** and **6pm** from **Saturday 5 August** to **Saturday 30 September**, weather permitting.

We will continue to deliver the majority of work between **7am** and **6pm**, from **Monday** to **Friday**, weather permitting.

### **How will the work affect you?**

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by:

- arranging the work in stages at different locations
-

- Using the minimum amount of machinery necessary and turning off the machinery when not in use
- Monitoring worker behaviour to ensure noise is kept to a minimum.

## Traffic changes

Temporary traffic changes will continue to be in place to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our construction partner on 1800 471 488 (24 hours) or [Community@ts-jv.com.au](mailto:Community@ts-jv.com.au).

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 13 17 82.
