- Appendix B1 Construction Transport and Traffic Management Sub-plan Revision D July 2022

I have reviewed this Contractor Construction Environmental Management Plan (Contractor CEMP) which was prepared by Seymour Whyte. Previous versions of the

document have been reviewed and updated following comments from the ER and TfNSW.

I consider this Contractor CEMP, associated Sub-plans and included Construction Monitoring Programs to be consistent with the requirements associated with the approved Overarching CEMP, Overarching Sub-plans and Overarching Construction Monitoring Programs.

As an approved ER for the M12 Motorway project, I endorsed this Contractor CEMP.

Yours sincerely
