Dear Deanne,

**RE: Endorsement of M12 Motorway Central – Site Establishment Management Plan Revision D**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement in accordance with Condition of Approval A16 Site Establishment Management Plan of the M12 Motorway approval (SSI 9364):

- M12 Central – Site Establishment Management Plan Revision D June 2022

I have reviewed the Site Establishment Management Plan (SEMP), which has been prepared by Seymour Whyte. Previous versions of the subject document have been reviewed and updated following comments from the ER.

As an approved ER for the M12 Motorway project, I consider this SEMP to be consistent with the relevant requirements associated with the project approval, including the Condition of Approval A16. This SEMP is now endorsed, and can be submitted to the Planning Secretary for approval.

Yours sincerely

George Kollias
