

# M12 Motorway - West

## Night work on Elizabeth Drive, Badgerys Creek to install water main

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

### What are we doing?

From **Thursday 17 November 2022**, we will continue work to install a new underground watermain across Elizabeth Drive in Badgerys Creek.

During this work we will:

- set up traffic control
- dig up the road surface and install water pipes
- place concrete around the water pipes for protection
- backfill and reinstate the road.

---

## Night work on Elizabeth Drive to install water main

### Our work schedule

We will work **two night shifts**, weather permitting, on **Thursday 17 November, Friday 18 November, Monday 21 November or Tuesday 22 November 2022.**

Our work hours are **9pm to 5am.**

### What equipment will be used?

During this work we will use excavators, vacuum trucks, road saws, light and heavy vehicles, lighting towers, generators and hand tools.

### How will this work affect you?

During our works you may see increased activities in the area.

The work may be noisy at times, but we will do everything we can to minimise its impact, including completing noisier activities earlier in the night before **11pm**, where possible, and turning off equipment and machinery when not in use.

Please contact us if you have any concerns or questions about this work.

### Traffic changes

There will be temporary traffic changes in place along Elizabeth Drive for the safety of motorists and our workers. These may include speed reduction, lane closures and/or stop go arrangements.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the Live Traffic NSW App.
