Dear Deanne,

RE: Endorsement of M12 Motorway – Overarching Construction Environmental Management Plan Revision G

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A34(d)(i) and C3 of the M12 Motorway approval (SSI 9364):

- M12 Motorway – Overarching Construction Environmental Management Plan Revision G November 2021

I have reviewed the Overarching Construction Environmental Management Plan (OCEMP) and associated Sub-plans, which have been prepared by Transport for NSW. Previous versions of the subject document have been reviewed and updated following comments from the ER.

As an approved ER for the M12 Motorway project, I consider this OCEMP is consistent with the requirements under the project approval. This OCEMP may be submitted to the Planning Secretary for approval.

This endorsement is provided in accordance with the Conditions of Approval relating to the CEMP, namely C1 and C2 relating to this plan. The associated CEMP Sub-plans required by the SSI Approval have been endorsed separately, but are also covered by this OCEMP endorsement.

Yours sincerely

George Kollias
Environmental Representative – M12 Motorway
