Thank you for providing the following document for Environmental Representative (ER) review and endorsement in accordance with Condition of Approval A9 of the M12 Motorway approval (SSI 9364):

I have reviewed the Staging Report which has been prepared by TfNSW. Previous versions of the subject document have been reviewed and updated following comments from the ER.

As an approved ER for the M12 Motorway project, I consider this Staging Report to be consistent with the relevant requirements associated with the project approval, including the Condition of Approval A9. This Staging Report is now endorsed, and can be submitted to the Planning Secretary for information.

Yours sincerely
