

M12 | April 2022

## Weekend closure of Elizabeth Drive from Friday 8 April to Monday 11 April 2022

Australian Government

**BUILDING OUR FUTURE**

**NSW**  
GOVERNMENT

Transport for NSW is building a temporary roundabout on Elizabeth Drive in Badgerys Creek as part of the M12 Motorway's early works program. As part of this work, we need to temporarily close a section of Elizabeth Drive from **8pm Friday 8 April to 5am Monday 11 April 2022**.

### What are we doing?

We will be temporarily closing a section of Elizabeth Drive between Badgerys Creek Road and Adams Road, Luddenham to complete the construction of a temporary roundabout including kerbing, asphaltting and line marking. For the safety of motorists and workers, and to minimise community disruption where possible, this work will be completed over a weekend.

### Date and time of work

Work will begin from 8pm on Friday 8 April 2022 and finish at approximately 5am on Monday 11 April 2022. If we need to work outside of these hours, we will inform you if the work is likely to impact you. **Should the work not take place on these dates, we will conduct this work on one the following weekends in April or May 2022.**

### Traffic changes

This work requires a partial closure of Elizabeth Drive between Badgerys Creek Road and Adams Road. Detours will be in place for motorists via The Northern Road and Badgerys Creek Road to the south and The Northern Road, M4 Motorway and Mamre Road to the north. Please see map overleaf for the work location and detours.

Heavy vehicle access will also be restricted along Elizabeth Drive between The Northern Road and Adams Road.

During this closure, motorists should plan their journey and allow extra travel time, especially during the peak traffic times.

### Access arrangements for residents and businesses

Access for local residents and businesses will be maintained within the closure at all times.

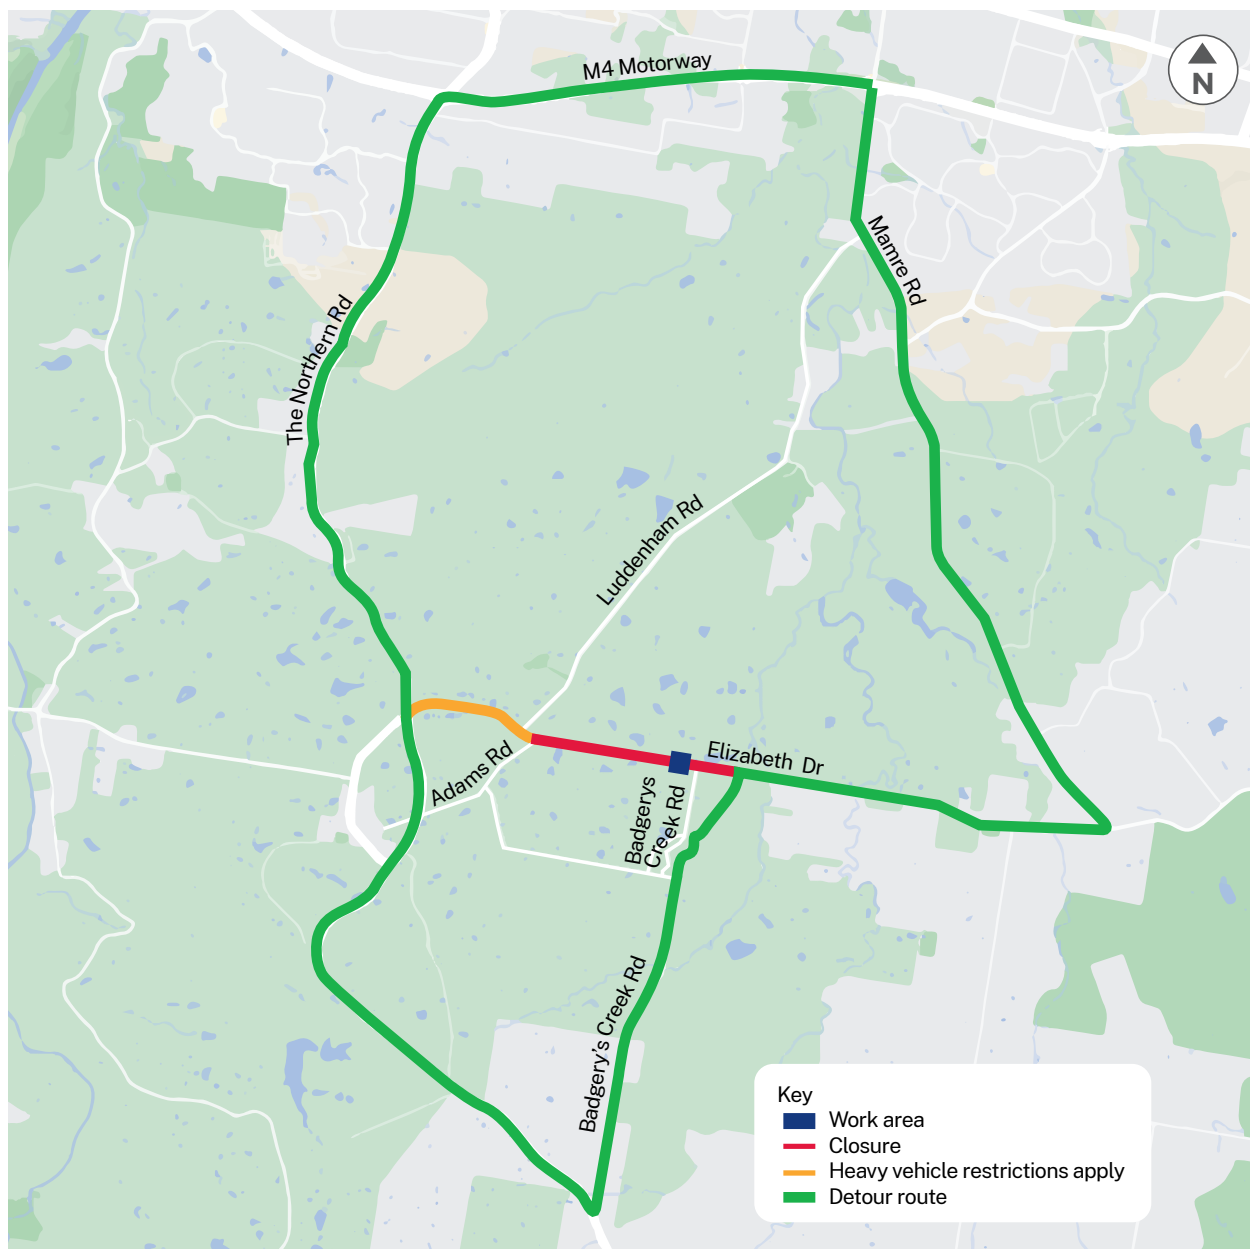

Traffic control personnel will be stationed at The Northern Road, Luddenham Road and Badgerys Creek Road intersections with Elizabeth Drive to allow access for local residents and businesses. Please speak with traffic control personnel on approach and follow their instructions at all times.

Access to properties on the western side of the Elizabeth Drive work area should be made via The Northern Road and Luddenham Road.

Access to properties on the eastern side of the Elizabeth Drive work area should be made via the Badgerys Creek Road intersection.

## Weekend closure of Elizabeth Drive from Friday 8 April to Monday 11 April 2022

### Work location and detours

### What equipment will be used?

Equipment used for this work will include heavy and light construction vehicles, asphalt profiling and paving plant, linemarking vehicles, traffic light signals, lighting towers and traffic control.
