

Weekend closure of Elizabeth Drive from Friday 21 October to Monday 24 October 2022

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

What are we doing?

Work is being carried out to complete a new underground water main installation on Elizabeth Drive between Badgerys Creek Road and Devonshire Road, Badgerys Creek.

The work will include digging up the road surface and installing water pipes. Once complete, we will place concrete slabs around the water pipes to protect them. We will then backfill and reinstate the impacted area.

How will the work affect you?

This work requires a closure of Elizabeth Drive between Badgerys Creek Road and Devonshire Road, Badgerys Creek from **8pm Friday 21 October 2022** and finish by **5am Monday 24 October 2022**.

Motorists can detour through:

- Devonshire Road, King Street to Bringelly Road and Badgerys Creek Road
- Mamre Road to M4 Motorway and The Northern Road.

Equipment used for this work will include heavy and light construction vehicles, excavators, concrete saws, asphalt profilers and paving plant, lighting towers and traffic control.

If work is cancelled, it will take place on the following weekend from Friday 28 October to Monday 31 October 2022. For the safety of motorists and workers, and to minimise community disruption, this work needs to take place over a weekend.

Access arrangements for residents and businesses

Local residents and businesses will have their access maintained. **Please approach the closure from Elizabeth Drive east** as there will be no access from the Elizabeth Drive and Badgerys Creek Road intersection.

Traffic controllers will be stationed at key intersections along Elizabeth Drive including Devonshire Road, Western Road, Martin Road and Lawson Road intersections to help guide motorists. Please speak with traffic controllers on the approach and follow their instructions.
