Dear Deanne,

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement, as required by the Overarching Construction Environmental Management Plan (Overarching CEMP) and Overarching Construction Monitoring Programs as approved under the M12 Motorway approval (SSI 9364):

- M12 Motorway West – Construction Environmental Management Plan Revision 00 28<sup>th</sup> July 2022

- Appendix B8 Construction Soil and Water Management Sub-plan Revision 00 28<sup>th</sup> July 2022
- Appendix B9 Construction Flood Management Sub-Plan Revision 00 28<sup>th</sup> July 2022

The CEMP Appendix B10 Site Establishment Management Plan has been reviewed, endorsed and approved by the Planning Secretary separately, and is not included as part of this endorsement.

I have reviewed this Contractor Construction Environmental Management Plan (Contractor CEMP) which was prepared by CPB Contractors and Georgiou Group Joint Venture (CPBGG JV). Previous versions of the documents have been reviewed and updated following comments from the ER and TfNSW.

I consider this Contractor CEMP, associated Sub-plans and included Construction Monitoring Programs to be consistent with the requirements associated with the approved Overarching CEMP, Overarching Sub-plans and Overarching Construction Monitoring Programs.

As an approved ER for the M12 Motorway project, I endorsed this Contractor CEMP.

Yours sincerely

George Kollias
