

## Night work on Main Road, Heddon Greta from Monday 5 September

The NSW Government is funding a road upgrade from near Young Street to near Trenchard Street to improve traffic flow and safety as traffic volumes increase.

Transport for NSW is continuing work on the Main Road upgrade. We will be installing water main under the eastbound lane at two locations, west of Stanford Street and between Stanford and Heddon streets. This work will be carried out at night to minimise impacts to motorists.

We will be working between **7pm** and **5am** from **Monday 5 September** and expect to complete the night work in **three nights**, weather permitting.

Work will continue during standard construction hours between **7am** and **5pm** from **Monday to Friday**.

### How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations, completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures, barriers, and a 40km/h speed limit will be in place during work hours and may affect travel times.

Traffic arrangements at Heddon Street and Stanford Street intersections will be adjusted as required during different stages of construction.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions about the project program, please contact our Project Manager, Andrew Jenkins on 02 4968 5225 or [andrew.d.jenkins@transport.nsw.gov.au](mailto:andrew.d.jenkins@transport.nsw.gov.au).

If you have any questions about construction activities, please contact our Project Delivery Manager, Chandra Kasturiarachchi on 0428 614 711 or [chandra.kasturiarachchi@transport.nsw.gov.au](mailto:chandra.kasturiarachchi@transport.nsw.gov.au).

For more information on the project, visit [nswroads.work/heddongreta](http://nswroads.work/heddongreta). Thank you for your patience during this important work.
