

# Manly Cove West – Story walk

November 2022

Aerial view of the Manly former Sea Life building

We recognise the importance of creating a vibrant place in Manly Cove, which respects the local cultural heritage, connects people to land and water and supports recreation and enjoyment of this prominent waterfront location.

We are pleased to have installed a *Story Walk* around the former Manly Sea Life building for the community to view the history and future of the Manly Cove area. It showcases images and designs as a *storybook* focusing on aboriginal heritage, history, the environment, and Transport's upcoming plans for Manly Cove.

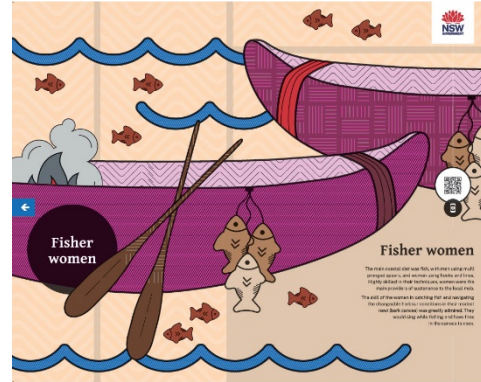

*We would like to hear your ideas about how we should recognise the history of this site, from its significance to First Nations people, its history as a meeting and recreation space and recently as an aquarium.*

Please provide your ideas on how we should recognise the history of the site via our project email address [manlycove@transport.nsw.gov.au](mailto:manlycove@transport.nsw.gov.au)

You can also contact us via phone on **1800 770 973** (during business hours)
