## Closure of Ponderosa Parade from 12 to 14 March

Transport for NSW will temporarily **close Ponderosa Parade** between Mona Vale Road and the Ponderosa Avenue roundabout from **7pm Friday 12 March** until **7pm Sunday 14 March**, weather permitting.

A number of nearby bus stops on Samuel Street and Ponderosa Parade (see map) will also be temporarily closed.

This closure will allow us to install utilities and stormwater drainage, as part of our Mona Vale Road East upgrade project.

Local access to commercial properties will be maintained during this closure via Foley Street and Jubilee Avenue. Traffic controllers will be on site to direct traffic.

If the work is postponed due to wet weather, the closure will occur on either **Friday 19 March to Sunday 21 March** or **Friday 26 March to Sunday 28 March**.

Detour will be via Jubilee, Foley Street, Mona Vale Road and Samuel Street (and reverse)  
Note: Plan is not to scale and is for general information and illustrative purposes only

## How our work will affect you?

The work will involve the use of machinery, which will generate some noise, including:

- excavators
- delivery trucks
- light towers
- powered hand tools.

Our work may be noisy at times and disruptive but we will do everything we can to minimise the impact where possible, such as turning off equipment and vehicles when not in use and focusing lights only on the working area. However, there may be some spill-over of light into nearby residences.

## Bus passengers

The bus stops on Ponderosa Parade and Samuel Street will be closed during the night work from **7pm Friday 12 to 7pm Sunday 14 March**. Alternative bus stops are located south on the Ponderosa Parade past Jubilee Avenue or Foley Street or on Mona Vale Road west of the Samuel Street and Ponderosa Parade (see map). Signs will be in place to direct bus passengers to nearby active bus stops.

## Freight deliveries and access to businesses

Access to commercial properties will be maintained during this temporary closure. All vehicles, including large delivery trucks, can access Ponderosa Parade (south of Mona Vale Road) via Foley Street and Jubilee Avenue. Traffic controllers will be on site to direct traffic.

If you are a local business and would like to discuss your delivery arrangements with us please call us on **1800 413 640**.

## Traffic changes

During the closure a detour will be in place and access to and from Ponderosa Parade to the south of the closure will be through Jubilee Avenue and Foley Street (see map).

Please keep to speed limits and follow signs and traffic controllers' directions. Local access to Ponderosa Parade will be maintained. Traffic controllers will be on site to direct traffic.
