BUILDING OUR FUTURE

February 2019

Work progressing on Mulgoa Road and Castlereagh Road, Penrith from 25 February

The Australian and NSW governments are jointly funding the \$105 million upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Roads and Maritime Services has started work on this project which includes replacing the existing railway bridge with a wider bridge to help improve traffic flow at this pinch point along the Mulgoa Road/Castlereagh Road corridor.

From **Monday 25 February 2019** we will be carrying out vegetation removal and other activities along Mulgoa Road and Castlereagh Road to make room for an additional lane in each direction. Traffic management will be in place along Mulgoa and Castlereagh roads for pedestrian safety.
