BUILDING OUR FUTURE

June 2020

Traffic changes on High Street, Mulgoa Road and Castlereagh Road, Penrith from Friday 26 June 2020

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.

Location of work

High Street lane closure

To facilitate water main installation work, High Street eastbound lanes between Castlereagh Road and Council access road will be closed from **7pm Friday 26 June** to **5am Monday 29 June 2020**, weather permitting. A detour will be in place via Jane Street and Station Street.

Road users are expected to experience delay. Plan ahead, allow extra travel time and use alternative routes where possible. To access the Penrith CBD, motorists are encouraged to use Jane Street and Russell Street for the M4 Motorway.

Australian Government

BUILDING OUR FUTURE

High Street bus stop closure

Bus stop ID 2750398, located on High Street at Castlereagh Road, will be temporarily closed from **7pm Friday 26 June to 5am Monday 29 June**. For bus services 688, 689, 690P and 691, please use bus stop ID 275079 located at Penrith Station Stand E.

Mulgoa Road lane closures

The right turn lane from Mulgoa Road into Union Road remains closed till **Tuesday 14 July** to continue installation of new road surface in this area, weather permitting. A detour via **High Street** and **Worth Street** remains in place.

Work in progress

The following work activities will be carried out between **Friday 26 June** and **Friday 31 July 2020**, weather permitting. Our work hours are Monday to Friday between **7am** and **6pm**, Saturdays **7am** to **5pm** and some nights from Monday to Sunday between **6pm** and **7am**.

- Deliveries of equipment and materials
- Completing work on the new bridge including the installation of retaining walls and fascia panels
- Investigating, installing and relocating utilities including electrical, communications, sewer and water mains
- Constructing new drainage, new road surfaces including earthwork and a stormwater pump station
- Intelligent Transport System (ITS) installation
- Directional signage structures and over height protection beams
- Vegetation removal
- Footpath work.

Australian Government

BUILDING OUR FUTURE

How will the work affect you?

- There will be temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street from **Monday to Sunday** between **6pm** and **7am**.
- At times we may need to control the flow of traffic on Mulgoa Road, Castlereagh Road, High Street and Jane Street on **weekdays** between **10am** and **3pm** and **Saturdays** between **10am** and **1pm**.
- Pedestrian and cyclist detours will be in place on Mulgoa Road, Castlereagh Road, High Street and Jane Street for their safety.

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by **11pm** and staging work in different locations.

Traffic changes

During lane closures there will be traffic control and a reduced speed limit of 40 km/hr for the safety of workers, motorists, cyclists and pedestrians. For your safety please follow traffic signs.

Please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit livetraffic.com.au
