## How will the work affect you?

- There will be temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street from **Monday to Sunday** between **6pm** and **7am**.
- Pedestrian and cyclist detours are in place on Mulgoa Road, Castlereagh Road, High Street and Jane Street for their safety.

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by **11pm** and staging work in different locations.

## Traffic changes

During lane closures there will be traffic control and a reduced speed limit of 40 km/hr for the safety of workers, motorists, cyclists and pedestrians. For your safety please follow traffic signs.

Please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit [livetraffic.com.au](http://livetraffic.com.au)
