BUILDING OUR FUTURE

June 2021

Opening of Mulgoa Road, Penrith from Union Road to Museum Drive from Saturday 26 June 2021

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road at Penrith, from Union Road to Museum Drive.

The upgraded section will open to traffic from Saturday 26 June 2021. The newly constructed road will provide users with:

- an additional lane both north and south bound on Mulgoa Road and Castlereagh Road between Union Road and Museum Drive
- a longer left turn lane along Mulgoa Road for vehicles turning westbound onto High Street
- upgrade of the Mulgoa Road and High Street intersection to provide increased capacity
- upgrade of the T-intersection of Jane Street with Castlereagh Road to provide increased capacity
- widening the existing rail underpass to allow three lanes in each direction on Castlereagh Road and left turn into Jane Street
- bus priority at the High Street intersection.

Thank you to the local community, surrounding business and road users who have been patient and understanding while we have built this important upgrade.

Remaining work activities

There are still a few remaining work activities that need to be completed before this section of the upgrade is fully complete, including:

- road maintenance
- deliveries of equipment and materials
- demobilisation of site compound
- line marking
- minor defect work
- drainage work
- carpark reinstatement behind NDTA
- footpath work and landscaping
- road signs and fencing.

This work will be carried out between **Saturday 26 June** and **Tuesday 31 August 2021**, weather permitting. Our work hours are Monday to Friday between **7am** and **6pm**, Saturdays **7am** to **5pm** and some nights between **6pm** and **5am**.

Traffic changes

During lane closures there will be traffic control and a reduced speed limit of 40 km/hr for the safety of workers, motorists, cyclists and pedestrians.

For your safety, please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit livetraffic.com.au

How will the work affect you?

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by **11pm** and staging work in different locations.
