# Kings Highway Nelligen Bridge Replacement

Artists impression of the new bridge, looking west

## The project

The \$148 million Nelligen Bridge Replacement project will provide a new two lane bridge over the Clyde River and upgrades to about 1.4km of the Kings Highway.

## Construction

Seymour Whyte Constructions has been awarded the contract for the project and work will start in early 2021. The new bridge is expected to open to traffic by late 2023, weather permitting. The project will be complete by late 2024.

**New bridge  
with a 100 year  
design life**

**Improved road  
alignment and wider  
lanes and shoulders**

## Key activities during the project

Site establishment

Bridge piling

Pier construction

Girder delivery and installation

Bridge deck and railings

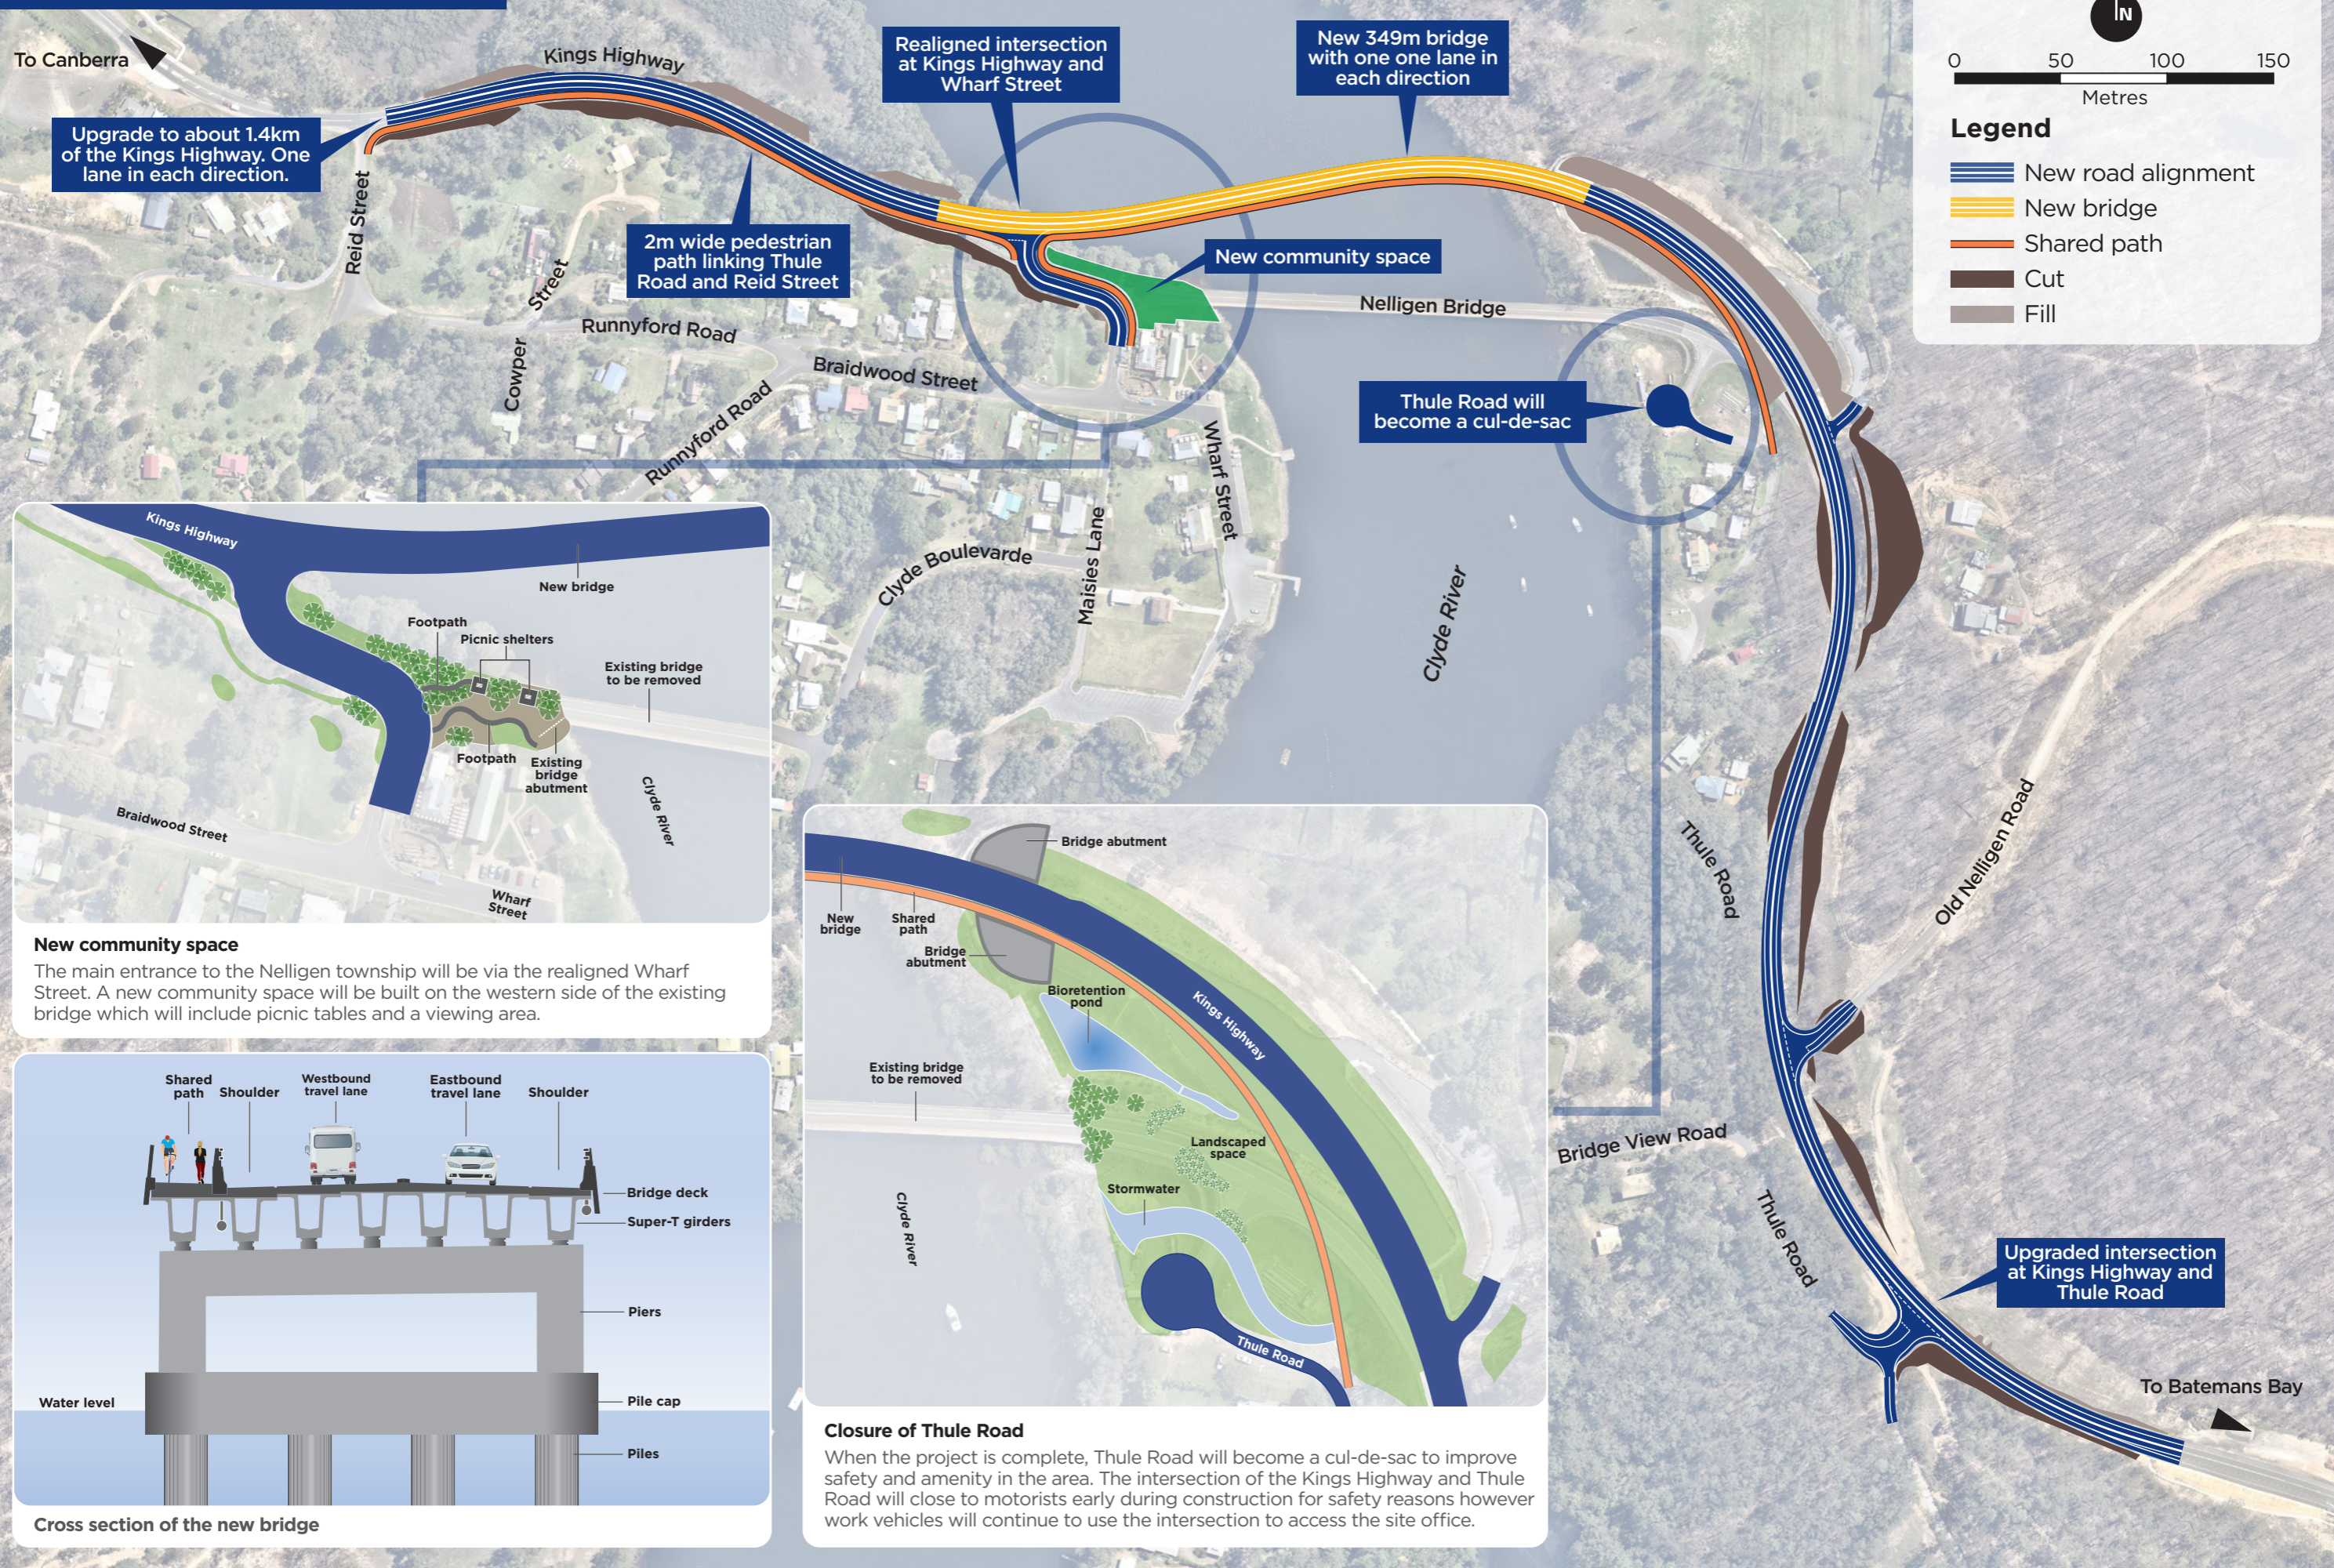

Open new bridge

Removal of old bridge

Project complete

# Nelligen Bridge Replacement

## Work hours

Standard works hours will be:

- 7am to 6pm Monday to Friday
- 8am to 1pm on Saturday

Some out of hours work may be required to reduce the impact to motorists during the day and we will inform nearby residents in advance.

## Traffic changes

There will be changes to traffic conditions during construction to ensure work areas are safe. Please keep to speed limits and follow the direction of traffic controllers and signs.

## River access

There will be changes to marine traffic conditions during construction. Clyde River access will be maintained however river users are encouraged to exercise caution when navigating through the site.

## Noise

There will be some noise associated with this work and we will make every effort to minimise noise such as turning off machinery when not in use and scheduling noisier activities during the day.

Earthworks on the eastern side of the Clyde River carried out in 2019

### Contact us:

If you would like more information on the Nelligen Bridge Replacement project please contact our project team:
