

Project update - Pedestrian bridge across New Illawarra Road, Menai

Roads and Maritime Services notified the community in December 2017 of plans to install a pedestrian bridge across New Illawarra Road near Barry Road, Menai.

We have considered all feedback received and have decided not to proceed with the project. We thank everyone who contacted Roads and Maritime for taking the time to provide their feedback.

Gateway to the South - Pinch Point Program

The Gateway to the South Pinch Points Program aims to ease congestion and improve journey reliability on Sydney's key southern corridors.

In February 2015, the NSW Government committed \$300 million to address critical pinch points along the A1, A3 and A6 routes south of the M5 Motorway which includes:

- The Princes Highway
- King Georges Road
- Heathcote Road
- The Grand Parade
- Stacey Street
- New Illawarra Road and
- Alfords Point Road.

The Gateway to the South Pinch Point program focuses on short to medium term solutions to improve travel time and reliability for all road traffic including buses and freight.
