

Out of hours early work at New Lambton Heights from 30 August 2021

The NSW Government is funding early work for the Newcastle Inner City Bypass between Rankin Park and Jesmond.

Transport for NSW has awarded a contract to Quickway to relocate major utilities at the southern end of the Rankin Park to Jesmond project to help prepare for the main construction of the bypass. This early work will be continuing in August and September.

We will be carrying out essential night work on Lookout Road between McCaffrey Drive and Grandview Drive. Work will include:

- removing existing line marking
- installing new line marking
- removing the concrete median on Lookout Road and replacing with road surface.

Work is required outside normal project hours for the safety of workers and road users, and to minimise traffic delays.

We will be working from **7pm to 5am** on **Monday 30 August, Tuesday 31 August** and **Wednesday 8 September**, weather permitting. High impact noisy work will be done **before 11pm**. If wet weather prevents the work occurring as planned, it will be rescheduled and you will be notified.

How will the work affect you?

The work will involve the use of machinery which generates noise, light and vibration. We will make every effort to minimise these impacts with our equipment selection, positioning of machines and noise blankets, turning off vehicles when not in use and using non-tonal reversing alarms.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe including realignment of travel lanes and a 60km/h speed limit between McCaffrey Drive and Grandview Road. A 40km/h speed limit will apply during temporary lane closures. Travel times will be affected. Please keep to speed limits and follow the direction of traffic controllers and signs.
