

Australian Government

BUILDING OUR FUTURE

October 2022

Newcastle Inner City Bypass – Rankin Park to Jesmond

Night work from Sunday 16 October

The Australian and NSW Governments are funding construction of a 3.4 kilometre section of the Newcastle Inner City Bypass between Rankin Park and Jesmond.

Upcoming night work

Night work will take place at several locations around the project area to replace and install new project signs.

We will be working on Lookout Road, Grandview Road, McCaffrey Drive at New Lambton Heights and on Newcastle Road and the Newcastle Inner City Bypass at Jesmond.

Work will start on **Sunday 16 October**. We will be working between **6pm** and **7am** from **Sunday** to **Friday** nights and we expect to complete the work in **seven night shifts**, weather permitting.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Single lane closures, stop slow traffic control and a 40km/h speed limit will be in place during work hours.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Why is work carried out at night?

Work is required outside standard construction hours to:

- improve safety by minimising the interactions between road users, pedestrians and workers
- minimise delays and journey times for motorists and businesses.

How will the work affect you?

The work will involve the use of machinery which generates some noise and light. We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

More information

If you would like to provide feedback, or have any questions about this work, please contact our project team on **1800 818 433** (24 hours), email RP2JCommunity@fultonhogan.com.au or mail to PO Box 186, Waratah, NSW 2298.

For more information about the project visit nswroads.work/rp2j. Thank you for your patience during this important work.

Translating and interpreting service

If you need help understanding this information, please contact the Translating and Interpreting Service on **131 450** and ask them to call us on **1800 818 433**.
