

Out of hours work for the shared path bridge at Jesmond during May 2020

The NSW Government is funding the construction of a shared path bridge over Newcastle Road as part of early work for the Newcastle Inner City Bypass between Rankin Park and Jesmond.

Transport for NSW and construction partner, Daracon Contractors, started construction in November 2019.

We will be working out of hours between **7pm** and **6am** on **Tuesday 19 May** and **Wednesday 20 May 2020**, weather permitting to install a new power pole and electrical wires, and remove redundant power poles.

We have included a map to show the location of the work.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise where possible, including turning off vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Partial lane closures and a reduced 40km/h speed limit will be in place. Travel times may be affected by up to five minutes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you would like to provide feedback, or have any questions about this work, please contact our project team on 1800 818 433 (24 hours) or email jesmondbridge@daracon.com.au.

For more information about the Newcastle Inner City Bypass between Rankin Park and Jesmond, visit rms.nsw.gov.au/rp2j or email rp2j.community@arecongroup.com.

Thank you for your patience during this important work.

Location of the work at Jesmond

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 818 433.
