

Start of work on shared path bridge at Jesmond from Monday 11 November 2019

The NSW Government is funding the Newcastle Inner City Bypass between Rankin Park and Jesmond to improve traffic flow and reduce congestion.

Roads and Maritime Services recently awarded a contract to Daracon Contractors to build a shared path bridge over Newcastle Road at Jesmond.

We will soon start work to establish the site office and compound in Jesmond Park, at the corner of Newcastle Road and Robinson Avenue. We will also be carrying out survey work and locating services, while setting up safe work areas with safety barriers on Newcastle Road and Coles Street.

We will be working between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **5pm** on **Saturday**. Some night and weekend work will be required to ensure the safety of workers and road users, and reduce impacts to motorists during peak hours.

We are planning to carry out night work in December 2019 to install concrete barriers on Newcastle Road and install electrical poles. We will provide you with more information before the work is carried out.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise where possible, including turning off vehicles and machinery when not in use.

Access for residents will be maintained at all times.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our project team on 1800 818 433 (24 hours) or email jesmondbridge@daracon.com.au.

For more information about the Newcastle Inner City Bypass between Rankin Park and Jesmond, visit rms.nsw.gov.au/rp2j. Thank you for your patience during this important work.
