

Out of hours work for the shared path bridge at Jesmond in October 2020

The NSW Government is funding the construction of a shared path bridge over Newcastle Road as part of early work for the Newcastle Inner City Bypass between Rankin Park and Jesmond.

Transport for NSW and construction partner, Daracon Contractors, started construction in November 2019.

What are we doing?

We will be carrying out essential night work on Newcastle Road which involves electrical fit out for the new bridge and concreting for a safety barrier.

Work is required outside normal project hours for the safety of workers and road users, and to minimise traffic delays.

We will be working between **7pm** and **6am** from **Monday 26 October** and expect to complete the work in two nights, weather permitting.

Below is a list of upcoming planned out of hours work activity in November and December 2020.

| Month | Work activity | Equipment |
|----------|--|--|
| November | Asphalting <i>Three nights</i> | Asphalt paver, rollers, trucks, lighting towers and traffic control |
| | Relocating barriers <i>One night</i> | Excavator, mobile crane, truck, lighting towers and traffic control |
| | Removing pedestrian traffic lights <i>One night</i> | Excavator, elevated work platform, trucks, lighting towers and traffic control |
| December | Removing barriers <i>One night</i> | Excavator, mobile crane, truck, lighting towers and traffic control |

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise where possible and turning off vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Partial lane closures and a reduced 40km/h speed limit will be place. Travel times may be affected by up to five minutes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
