Traffic changes on Condobolin Road in Parkes from Wednesday 10 August

The Australian and NSW Governments are jointly funding the \$187.2 million Newell Highway upgrade, Parkes Bypass between Maguire Road and Barkers Road to improve connectivity, road transport efficiency and safety for local and interstate motorists.

To support pavement construction work, a 500 metre section Condobolin Road west of Ross Road, will be reduced to a single lane under from Wednesday 10 August for up to 12 weeks, weather permitting.

We have included a map to show the location of changed traffic conditions.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures, intermittent stopping and a reduced speed limit will be in place during work hours and may affect travel times.

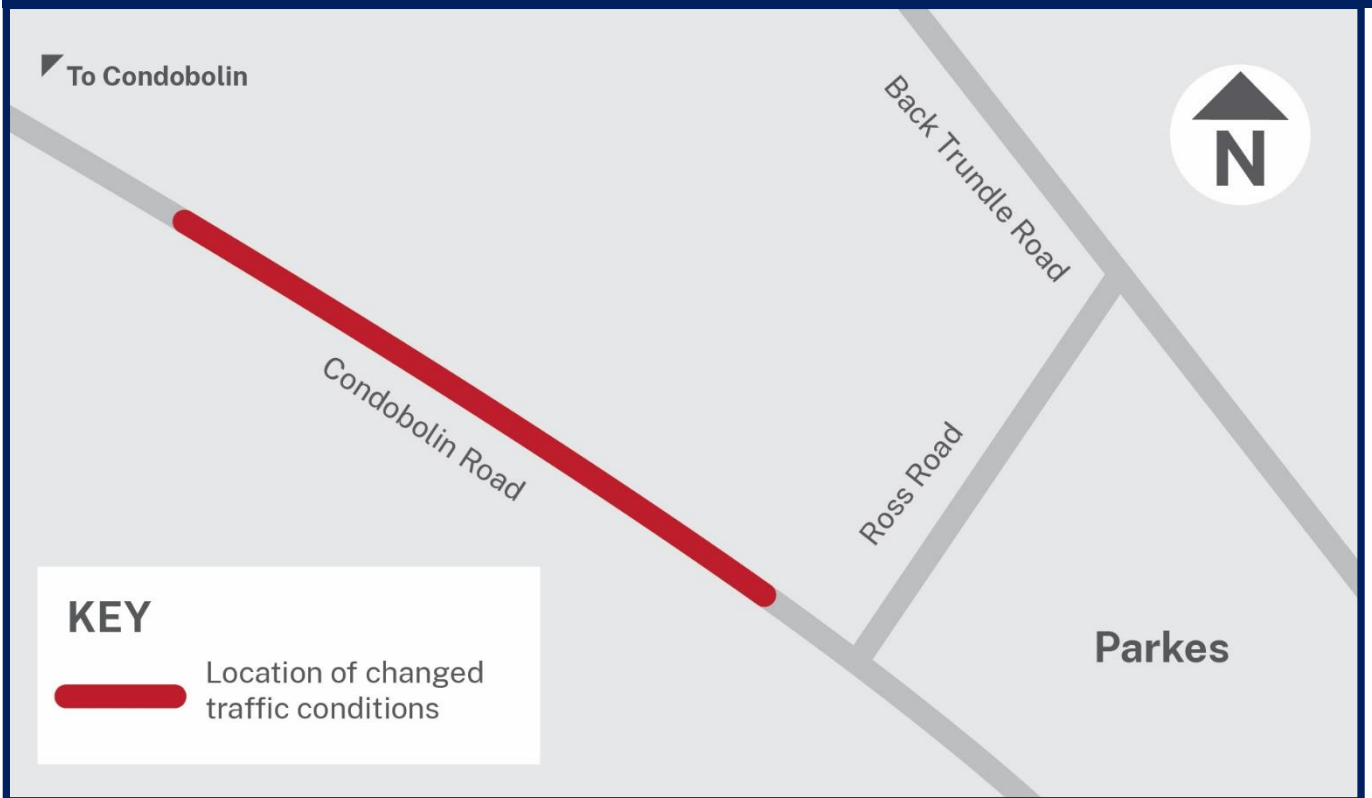

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
