July 2022

Traffic changes on Hartigan Avenue and Brolgan Road, Parkes from Wednesday 27 July 2022

The Australian and NSW Governments are funding the \$187.2 million Newell Highway upgrade, Parkes Bypass between Maguire Road and Barkers Road to improve connectivity, road transport efficiency and safety for local and interstate motorists.

One of the key features of the bypass is a bridge over the rail corridor and Hartigan Avenue. To support construction, traffic using Hartigan Road will be switched onto a new link road to Brolgan Road. This will allow access to Westlime Road and Billy Mac Place. The diversion will be in place until November 2022, weather permitting. To support safety during construction we will also be closing Brolgan Road near Essential Energy with access to Westlime Road and Brolgan Road via Hooley Street and Hartigan Avenue. We have included a map to show the change.

Work at the bridge site will be carried out between **7am** and **6pm** from **Monday to Friday** and **8am to 6pm** on **Saturdays**, excluding public holidays. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.

Traffic changes

Lane closures and a 40km/h speed limit may be in place during work hours and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

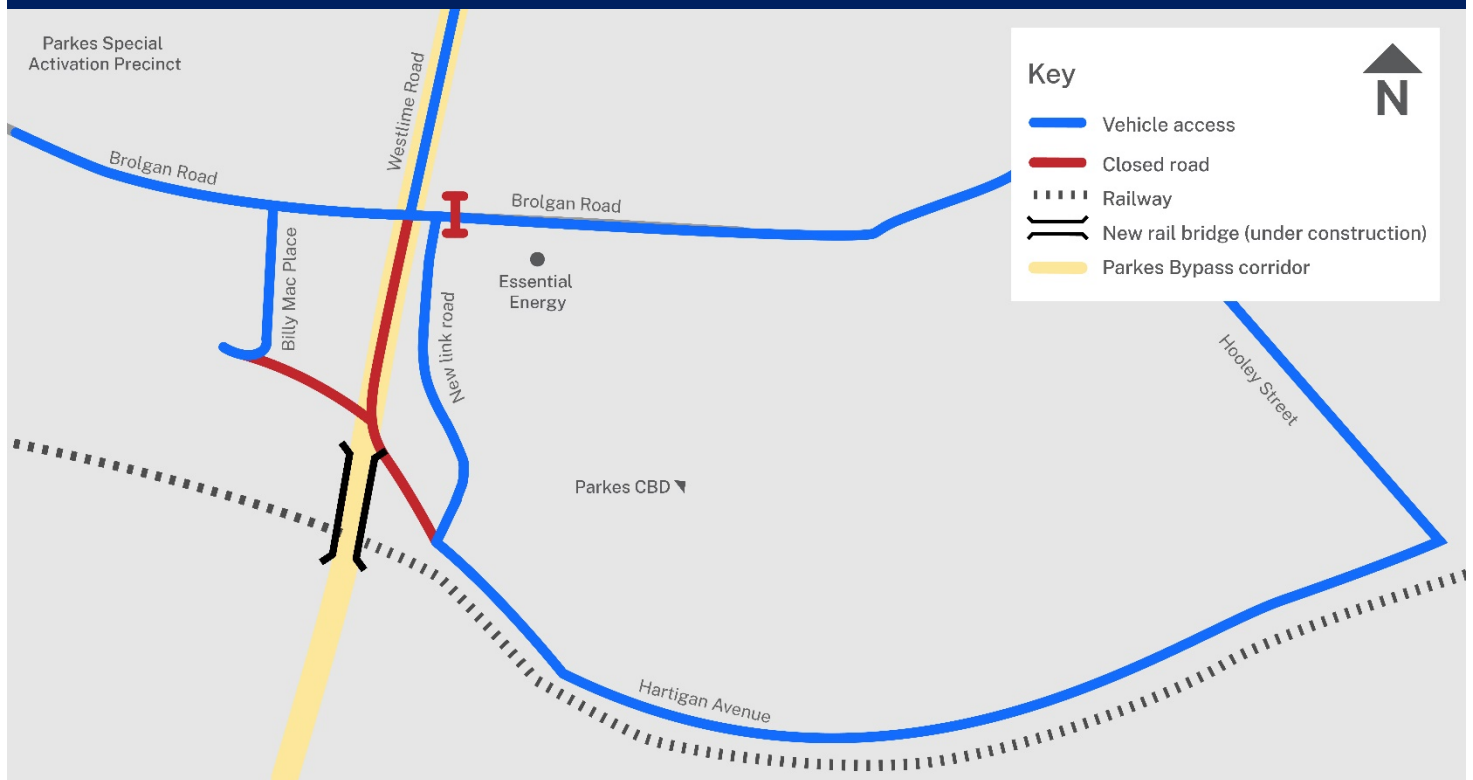

If you have any questions, please contact our Community Manager, Dominic Stellino on 1800 741 636 (option 4) or parkes.community@georgiou.com.au.

If you would like to register for regular email notification of works or progress, please email parkes.community@georgiou.com.au with the subject: **'Subscribe'**.
