

Night works at Condobolin Road and the Westlime Road and Brolgan Road intersection from Monday 18 July

The Australian and NSW Governments are jointly funding the \$187.2 million Newell Highway upgrade, Parkes Bypass between Maguire Road and Barkers Road to improve connectivity, road transport efficiency and safety for local and interstate motorists.

Asphalting work is scheduled to take place at the intersection of Westlime Road and Brolgan Road. Work is expected to be completed in one night shift commencing at 6pm on **Monday 18 July**, weather permitting. Work is expected to be complete by **5am** on **Tuesday 19 July**.

To support utility relocation works, Condobolin Road between Westlime Road and Flinders Street will be closed on **the night of Thursday 21 July** from **6pm** to **6am Friday 22 July**. Local access to Condobolin Road will be maintained. A detour will be in place via Middleton Street, Hooley Street, Hartigan Avenue and Westlime Road for through traffic. Work is expected to be complete in one night, weather permitting.

We have included a map to show the location of changed traffic conditions.

How will the work affect you?

The work will take place at night to minimise work time and reduce impacts to motorists. This work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations, completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures, intermittent stopping, detour route and a reduced speed limit will be in place during work hours and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
