

# North Sydney Wharf Upgrade

## Close of consultation

Transport for NSW | April 2020

The NSW Government is proposing to upgrade North Sydney Wharf as part of the Transport Access Program.

Transport for NSW sought comments from the community and key stakeholders on the proposed North Sydney Wharf Upgrade in February 2020. We would like to thank everyone who took the time to consider our proposal and provide feedback.

Following a review of the comments, we have prepared a Community Consultation Report, which summarises the feedback and our responses. A copy of this report is available at [rms.nsw.gov.au/wharfupgrades](https://rms.nsw.gov.au/wharfupgrades) or by contacting the Project team on 1800 770 973 or email [WharfUpgradeProgram@rms.nsw.gov.au](mailto:WharfUpgradeProgram@rms.nsw.gov.au)

## What you told us

Feedback during the consultation period was collected and recorded through face-to-face drop-in sessions, an online survey and via the project email, phone and mailing address.

Key feedback topics included:

- The existing waiting shelter
- The existing North Sydney Wharf
- Potential impacts to visual amenity

## What happens next?

Feedback provided by key stakeholders and the community will help to inform the future planning of the project.

We will develop a Review of Environmental Factors for the proposal which will be publicly displayed for comment.

We will continue to keep the community updated as the project progresses.
