

Investigation work on Richmond Road, Marsden Park Monday 13 January

The NSW Government is carrying out field investigation work as part of the Richmond Road upgrade between Elara Boulevard and South Creek.

Transport for NSW will be carrying out field investigation work which includes locating utilities, digging test pits and potholing to help plan for the future road design of this upgrade.

Our work will be carried out between **Monday 13 January** and **Tuesday 30 June**, excluding weekends and public holidays, weather permitting. Our work hours will be from **7am to 5pm**. If any work needs to take place outside of these hours we will notify you in advance.

Location of investigation work along Richmond Road

How will the work affect you?

The work will involve digging boreholes for soil testing but will not involve noisy activities such as saw cutting through concrete or jack hammering.

Our work will be noisy at times but we will do everything we can to minimise its impact, by staging the work in different locations.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience while we carry out this important work.

Contact

If you have any questions, please contact the project team on 1300 367 561 or nwgc@rms.nsw.gov.au. For more information on this project, visit rms.nsw.gov.au/nwgc.

Thank you for your patience during this important work.
