

Aquatic Drive and Wakehurst Parkway weekend work community agreement

What are we asking the community to agree to?

3.1 The Agreement

When contacting residents, the following points have been used as the basis for the agreement:

- The planned works will be undertaken on weekends up to end of March 2019.
- Saturday extra hours will be 1pm to 5pm, and Sundays will be worked 8am to 5pm.
- There will not be any high noise impact works other than compaction works.
- Workers will be tool-boxed beforehand, reminding them to keep noise to a minimum.
