

Temporary closure of View Street, Gunnedah from 3 March 2020

The NSW Government is delivering the new rail bridge in Gunnedah to improve road safety and freight connectivity.

View Street will be closed to all through traffic at the intersection of the Oxley Highway from **Tuesday 3 March 2020**. Pedestrian access will be maintained during the closure.

The closure will be in place to allow work to continue on the new Gunnedah bridge, including installing drainage culverts, building the remainder of the new Oxley Highway roundabout and service relocation.

Traffic changes

Following the reopening of New Street, **View Street will be closed for up to four months** to allow the work to be carried out, weather permitting. Road users will have to use a detour via Hunter Street and Marquis Street to access the Oxley Highway. We have included a map to show the detour routes.

Access for motorists travelling through Gunnedah on the Oxley Highway will be maintained. Signage will be in place to direct motorists. Please keep to speed limits and follow the direction of traffic controllers and signs.

Contact

If you have any questions, please contact the project team on the toll free project line 1800 029 585 or email gunnedahbridge@daracon.com.au
