**BUILDING OUR FUTURE**

July 2020

## Night work on Illaroo Road and the Princes Highway, Nowra for vegetation removal

The NSW and Australian Governments are funding a new four lane bridge over the Shoalhaven River, upgraded intersections and additional lanes on the Princes Highway.

We will be carrying out vegetation removal within and next to the intersection of Illaroo Road and the Princes Highway as part of the Nowra Bridge project. This work will allow us to start earthworks at this location later this year.

The work will be carried out from **Sunday 19 July** for up to four nights (weather permitting). Our work hours will be between **6pm and 5am** to reduce the impacts to motorists and pedestrians.

Should the work need to be postponed, new dates will be advertised on variable message signs and on the project website. A map of the work area is provided over the page.

### How will the work affect you?

There may be some noise and light associated with this work. We will make every effort to minimise disruption to residents by scheduling noisier activities earlier in the night. Where possible, we will position equipment away from properties and turn off machinery when not in use. Residents will have access to and from their properties at all times.

### Traffic changes

There will be temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place on the Princes Highway travelling northbound and on Illaroo Road at Bomaderry during the night work. Motorists should allow up to 10 minutes extra travel time during night work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please contact the project team on 1800 331 713 or [NowraBridgeProject@fultonhogan.com.au](mailto:NowraBridgeProject@fultonhogan.com.au) or visit [nswroads.work/NowraBridge](http://nswroads.work/NowraBridge)

For more information on our projects, visit [roads-maritime.transport.nsw.gov.au](http://roads-maritime.transport.nsw.gov.au).

Thank you for your patience during this important work.

## Location of night work
