Night work on the Princes Highway for median removal and utility relocation

The NSW and Australian Governments are funding a new four lane bridge over the Shoalhaven River, upgraded intersections and additional lanes on the Princes Highway.

We are removing the concrete medians on the Princes Highway between Mattes Way and Moss Street and relocating utilities as part of the Nowra Bridge project. This work will allow us to begin widening the Princes Highway later this year.

The work will be carried out from **Sunday 16 August** for up to five nights (weather permitting). Our work hours will be between **6pm and 5am** to reduce the impacts to motorists and pedestrians.

Should the work need to be postponed, new dates will be advertised on variable message signs and on the project website. A map of the work area is provided over the page.

How will the work affect you?

There may be some noise and light associated with this work. We will make every effort to minimise disruption to residents by scheduling noisier activities earlier in the night. Where possible, we will position equipment away from properties and turn off machinery when not in use. Residents will have access to and from their properties at all times.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place in both directions on the Princes Highway during the night work. Motorists should allow up to 10 minutes extra travel time during night work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact the project team on 1800 331 713 or NowraBridgeProject@fultonhogan.com.au or visit nswroads.work/NowraBridge

For more information on our projects, visit roads-maritime.transport.nsw.gov.au.

Thank you for your patience during this important work.

Location of night work

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 331 713
